SUPPLEMENTARY INFORMATION: OGE is
concurrently adding a new subpart J to
the Standards of Ethical Conduct for
Executive Branch Employees at 5 CFR
part 2635. See 87 FR 23769 (Apr. 21,
2022). The new subpart J contains the
standards for an employee's acceptance
of payments for legal expenses through
a legal expense fund for a matter arising
in connection with the employee's
official position, the employee's prior
position on a campaign, or the
employee's prior position on a
Presidential Transition Team.

In accordance with the Privacy Act of
1974, 5 U.S.C. 552a, this document
provides public notice that OGE is
creating a new Governmentwide system
of records to cover records collected,
generated, maintained, and disclosed
under OGE's legal expense fund (LEF)
regulation published at 5 CFR part 2635,
subpart J. A Governmentwide system of
records is a system of records where one
agency (in this case, OGE) has
regulatory authority over records in the
custody of multiple agencies and the
agency with regulatory authority
publishes a system of records notice that
applies to all of the records regardless
of their custodial location.

This system of records covers the
information required to be collected,
generated, maintained, and disclosed by
executive branch agencies pursuant to
the new subpart J, including

information from current Federal employees establishing, maintaining, and terminating legal expense funds, and information from legal expense fund trustees, donors, and payees. The system of records also permits agencies and OGE to share legal expense fund information with each other as necessary to administer the provisions of the regulation, and permits the posting of such information on OGE's website as required by the regulation.

The LEF regulation requires that employees who wish to establish a legal expense fund do so through a trust with a single, named employee beneficiary and a trustee. It also requires an employee beneficiary to file quarterly reports that include information regarding members of the public who contribute payments for legal expenses (donors) and members of the public who receive payments from a legal expense fund (payees), as well as termination reports upon the termination of the trust and/or executive branch employment. The trust documents, quarterly reports, and termination reports will be posted directly on OGE's website in accordance with 5 CFR 2635.1007(g). These trust documents and reports are generally first submitted to the Designated Agency Ethics Officials (DAEO) at the beneficiary's employing agency but transmitted to OGE for posting. However, the regulation permits anonymous whistleblowers to choose to submit their trust document and reports directly to OGE. DAEOs who create a LEF will also submit their trust document and reports directly to OGE.

This system of records also covers information collected or generated by executive branch agencies in the course of administering the LEF regulation, including information necessary to track and review LEF trust documents, quarterly reports, and termination reports, and information relevant to conflict-of-interest determinations.

SYSTEM NAME AND NUMBER:

OGE/GOVT-3, OGE Legal Expense Fund Trust Documents, Reports, and Other Name-Retrieved Records.

SECURITY CLASSIFICATION:

Unclassified.

SYSTEM LOCATION:

Office of Government Ethics, 1201 New York Avenue NW, Suite 500, Washington, DC 20005-3917, and designated agency ethics offices.

SYSTEM MANAGER(S):

(a) For records filed directly with the Office of Government Ethics by non-OGE employees: General Counsel,

Office of Government Ethics, Suite 500, 1201 New York Avenue NW, Washington, DC 20005-3917.

(b) For records filed with a Designated Agency Ethics Officials (DAEO) at the agency where the employee beneficiary is employed: The DAEO at the department or agency concerned.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

Title IV of the Ethics in Government Act of 1978, 5 U.S.C. 13101 *et seq.*; sections 201(a) and 403 of Executive Order 12674 (as modified by E.O. 12731); 5 U.S.C. 7301, 7351(c), and 7353(b)(1); 5 CFR part 2635, subpart J.

PURPOSE(S) OF THE SYSTEM:

The purpose of the system is to collect, generate, maintain, and disclose the information necessary to administer the provisions of the OGE legal expense fund (LEF) regulation at 5 CFR part 2635, subpart J. This includes, but is not limited to, obtaining information relevant to a conflict-of-interest determination and disclosing information on the OGE website pursuant to the regulation. It contains information from executive branch employees establishing legal expense funds as well as information regarding legal expense fund trustees, donors, and payees. It also contains related information collected or generated by OGE or other agencies in the process of collecting, reviewing, tracking, maintaining, and disclosing legal expense fund records. The system of records also permits agencies and OGE to share legal expense fund information with each other as necessary to administer the provisions of the regulation and permits the posting of such information on OGE's website as required by the regulation.

Although all beneficiaries must be current executive branch employees at the time the legal expense fund is created, information may be collected or remain in the system of records after the employee beneficiary has left employment with the executive branch.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

This system of records contains records about executive branch employees who seek to create a legal expense fund, pursuant to 5 CFR part 2635, subpart J, for the purpose of accepting donations and disbursing payments for legal expenses for a matter arising in connection with the employee's past or current official position, the employee's prior position on a campaign, or the employee's prior position on a Presidential Transition Team. Information may be collected or

remain in the system of records after the employee beneficiary has left employment with the executive branch. This system also contains records about members of the public who contribute payments for legal expenses (donors), members of the public who receive payments from a legal expense fund (payees), and members of the public who serve as a beneficiary's trustee or representative in establishing and maintaining a legal expense fund.

CATEGORIES OF RECORDS IN THE SYSTEM:

This system of records contains all information or material, retrieved by name or other personal identifier, which is created or received by OGE or other agencies in the course of administering the legal expense fund provisions of the regulation at 5 CFR part 2635, subpart J. The system of records also contains records generated by agencies in the course of administering the legal expense fund provisions of 5 CFR part 2635, subpart J. The categories of records include, but are not limited to, the following:

- legal expense fund trust documents;
- quarterly reports;
- trust termination reports;
- employment termination reports;
- names and contact information of beneficiaries, beneficiary representatives, donors, and trustees; and
- tracking information and deliberative notes generated by the review of legal expense fund trust documents submitted for approval, quarterly reports, trust termination reports, and employment termination reports.

The data elements contained on these records include, but are not limited to, names, city and state of donor, employment information, information about contribution amounts, information about fund payments to service providers, and information about the purpose for which the legal expense fund was created. None of the records in the system of records shall contain Social Security numbers.

RECORD SOURCE CATEGORIES:

Information in this system of records is provided by:

- a. The beneficiary of the legal expense fund and the legal expense fund's trustee or representative;
- b. Donors who contribute to the legal expense fund for the payment of legal expenses;
- c. Payees who receive payments distributed from a legal expense fund; and
- d. Executive branch employees, such as agency ethics officials and OGE

employees, who generate information and documents related to legal expense funds in the system in the course of their official duties.

As stated in the preamble to the proposed rule, OGE will create a form to collect information for the quarterly reports, trust termination reports, and employment termination reports. OGE will provide beneficiaries and trustees with a template for collecting information from donors and payees, as well as guidance on drafting trust documents. Together, this information collection is titled "OGE Legal Expense Fund Information Collection" and is subject to Paperwork Reduction Act approval by the Office of Management and Budget.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

These records and the information contained therein may be used:

m. To disclose information to another Federal agency or Federal entity, when the agency maintaining the record determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

These records are maintained in electronic form, whenever possible. Records may be maintained in hardcopy form if necessary, as long as they are maintained in secured file cabinets to

which only authorized personnel have access.

POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:

The data will be retrieved by the names of all of the individuals identified in the "Categories of Individuals Covered by the System" section, as well as by other data points such as agency name, type of document, quarter and year, and/or report type. Beneficiaries, trustees, representatives, donors, and payees will all be provided with notices in accordance with 5 U.S.C. 552a(e)(3).

POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:

Records should be maintained and managed electronically whenever possible. Hardcopy records are maintained in secured file cabinets to which only authorized personnel have access. OGE maintains electronic records on the OGE network, including in OGE internal applications. They are protected from unauthorized access through password identification procedures, multifactor authentication, limited access, firewalls, and other system-based protection methods.
