

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by June 30, 2023 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Food Safety and Inspection Service

Title: Sanitation SOP's Pathogen Reduction/Hazard Analysis and Critical Control Point (HACCP).

OMB Control Number: 0583–0103.

Summary of Collection: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601) and the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451). These statutes mandate that FSIS protect the public by verifying that meat and poultry products are safe, wholesome-, and properly labeled and packaged. FSIS has established requirements applicable to meat and poultry establishments designed to reduce the occurrence and numbers of pathogenic microorganisms on meat and poultry products, reduce the incidence of foodborne illness associated with the consumption of those products, and provide a new framework for modernization of the current system of meat and poultry inspection.

Need and Use of the Information: FSIS will collect information to ensure that (1) establishments have developed and maintained a standard operating plan for sanitation that is used by inspection personnel in performing monitoring regulations; (2) establishments have developed written procedures outlining specimen collection and handling for *E.coli* process control verification testing; (3) establishments developed written HACCP plans; (4) establishments will keep records for measurements during slaughter and processing, corrective action, verification check results, and related activities that contain the identity of the product, the product code or slaughter production lot, and the date the record was made; (5) establishments may have prerequisite programs that are designed to provide the basic environmental and operating conditions necessary for the production of safe, wholesome food; and (6) establishments maintain and are able to supply upon request the following information concerning the suppliers of source materials; the name, point of contact, and phone number for the establishment supplying the source materials for the lot of ground beef sampled; and the supplier lot numbers,

production dates, and other information that would be useful to know about suppliers.

Description of Respondents: Business or other for-profit.

Number of Respondents: 6,087.

Frequency of Responses: Recordkeeping; Reporting: On occasion; Other (daily).

Total Burden Hours: 7,045,283.

Food Safety and Inspection Service

Title: Procedures for the Notification of New Technology and Requests for Waivers.

OMB Control Number: 0583–0127.

Summary of Collection: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451 *et seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031 *et seq.*). These statutes mandate that FSIS protect the public by ensuring that meat, poultry and egg products are safe, wholesome, unadulterated, and properly labeled and packaged. FSIS established flexible procedures to actively encourage the development and use of new technologies in meat and poultry establishments and egg products plants. These procedures facilitate notification to the Agency of any new technology that is intended for use in meat and poultry establishments and egg products plants so that the Agency can decide whether the new technology requires a pre-use review. A pre-use review often includes an in-plant trail.

Need and Use of the Information: FSIS will collect information to determine if a pre-use review is needed, FSIS will request that the firm submit a protocol for an in-plant trial of the new technology. The firm then must submit a protocol that is designed to collect relevant data to support the use of the new technology. To not collect this information would reduce the effectiveness of the meat, poultry, and egg products inspection program.

Description of Respondents: Business or other for-profit.

Number of Respondents: 210.

Frequency of Responses: Recordkeeping; Reporting: on occasion.

Total Burden Hours: 12,800.

Food Safety and Inspection Service

Title: Nutrition Labeling of Major Cuts of Single-Ingredient Raw Meat or Poultry Products and Ground or Chopped Meat and Poultry Products.

OMB Control Number: 0583-0148.

Summary of Collection: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary as provided in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601 *et seq.*) and the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*) These statutes mandate that FSIS protect the public by verifying that meat and, poultry products are safe, wholesome, and properly labeled and packaged. FSIS requires nutrition labeling of the major cuts of single-ingredients, raw meat and poultry products, unless an exemption applies. FSIS also requires nutrition labels on all ground or chopped meat and poultry products, with or without added seasonings, unless an exemption applies. Further, the nutrition labeling requirements for all ground or chopped meat and poultry products are consistent with the nutrition labeling requirements for multi-ingredient and heat processed products. (9 CFR 381.400(a), 9 CFR 317.300(a), 9 CFR 317.301(a), 9 CFR 381.401(a)).

Need and Use of the Information: FSIS requires nutrition labeling of major cuts of single-ingredient, raw meat and poultry products, all ground or chopped meat and poultry products to ensure that consumers will use this information to make better informed nutrition choices when purchasing these meat and poultry products.

Description of Respondents: Business or other for-profit.

Number of Respondents: 76,439.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 67,861.

Food Safety and Inspection Service

Title: Voluntary Destruction of Imported Meat, Poultry, and Egg Products.

OMB Control Number: 0583-0182.

Summary of Collection: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*), and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, *et seq.*). These statutes mandate that FSIS protect the public by verifying that meat, poultry, and egg products are safe, wholesome, and properly labeled and packaged.

Imported meat, poultry, and egg products that do not comply with U.S. requirements are not allowed to enter U.S. commerce and are identified as “U.S. Refused Entry” product. Inspection Program Personnel (IPP) are required to verify that U.S. refused entry product is stored and segregated from other product at an official import inspection establishment until final disposition occurs, or permission to move the shipment is granted by a FSIS Office of Field Operations (OFO) District Office (DO).

Need and Use of the Information: FSIS IPP uses the information during the observation of the product destruction to verify that the product being destroyed is the same product that was refused entry and that the product is controlled by the import establishment until destruction is completed. The Importer/Broker/Agent completes FSIS Form 9840-4, Voluntary Destruction of Imported Meat (Including Siluriformes), Poultry, and Egg Product, for product that will be destroyed under FSIS supervision.

Description of Respondents: Business or other for-profit.

Number of Respondents: 151.

Frequency of Responses: Recordkeeping; Reporting: On occasion.

Total Burden Hours: 17,818.

BILLING CODE 3410-DM-P

DEPARTMENT OF AGRICULTURE**Rural Business-Cooperative Service**

[Docket No. RBS-22-BUSINESS-0029]

Notice of Solicitation of Applications for the Rural Energy for America Program for Fiscal Years 2023 and 2024, Correction

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice, correction.

SUMMARY: The Rural Business-Cooperative Service (the Agency) published a Notice of Solicitation of Applications (NOSA) in the **Federal Register** on March 31, 2023, entitled Notice of Solicitation of Applications for the Rural Energy for America Program for Fiscal Years 2023 and 2024 to announce the availability of \$1.055 billion in Inflation Reduction Act funds across six quarterly cycles to be obligated by September 30, 2024. The Notice also announced the types of

projects that would qualify for a federal grant share not to exceed 50 percent of the project cost, a set-aside for underutilized renewable energy technologies (underutilized technologies), as well as scoring revisions to support Administration priorities. This correction notice is amending the definition of underutilized renewable energy technologies.

FOR FURTHER INFORMATION CONTACT: Jonathan Burns, Program Management Division, Rural Business-Cooperative Service, United States Department of Agriculture, 774-678-7238 or email CPgrants@usda.gov.

SUPPLEMENTARY INFORMATION:**Correction**

In FR Doc. 2023-06376 of March 31, 2023 (88 FR 19239), on page 19240, in column 3, under Section A.3, the second paragraph that starts with “For the purpose of this Notice,” is being replaced with:

For the purpose of this Notice only, underutilized renewable energy technologies (underutilized technologies) are defined as those technologies which make up less than 20 percent of the total grant dollars obligated at the end of the fiscal year, two (2) fiscal years prior to the current year. No single technology may receive more than 50 percent of the total funding available in each fiscal year, excepting years in which all underutilized technology applications have been processed, and applications remain unfunded with funding still available in the set-aside.” For example, FY 2021 award data will be utilized to determine which technologies are underutilized technologies for the FY 2023 competition.

Karama Neal,

Administrator, Rural Business-Cooperative Service.
