On May 30, 2023, the Commission terminated the investigation with respect to SMC due to withdrawal of the complaint. Order No. 27 (April 27, 2023), *unreviewed by Comm'n Notice* (May 30, 2023).

On May 8, 2023, Bell filed an unopposed motion to withdraw the complaint and terminate the investigation and suspend the procedural schedule with respect to the remaining NXP respondents, pursuant to Commission Rule 210.21(a) (19 CFR 210.21(a)). On May 9, 2023, OUII filed a response in support of Bell's motion.

On May 9, 2023, the presiding ALJ issued the subject ID (Order No. 28) granting the motion, terminating the investigation as to NXP, and terminating the investigation in its entirety. The ALJ ordered suspension of the procedural schedule with respect to NXP pending final disposition by the Commission. The ID finds that the motion meets the requirements of Commission Rule 210.21(a), in that there are no other agreements, written or oral, express or implied, between Bell and SMC concerning the subject matter of the investigation. ## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-847 and 849 (Fourth Review)]

### Carbon and Alloy Seamless Standard, Line, and Pressure Pipe From Japan and Romania

#### Determination

On the basis of the record<sup>1</sup> developed in the subject five-year reviews, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the existing antidumping duty order on large-diameter carbon and alloy seamless standard, line, and pressure pipe from Japan and the antidumping duty orders on small-diameter carbon and alloy seamless standard, line, and pressure pipe from Japan and Romania would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

#### Background

The Commission instituted these reviews on October 3, 2022 (87 FR 59779) and determined on January 6, 2023 that it would conduct expedited reviews (88 FR 20909, April 6, 2023).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on May 31, 2023. The views of the Commission are contained in USITC Publication 5427 (May 2023), entitled *Carbon and Alloy Seamless Standard, Line, and Pressure Pipe from Japan and Romania: Investigation Nos. 731-TA-847 and 849 (Fourth Review)*.

#### SUPPLEMENTARY INFORMATION:

*Background.*—On May 8, 2023, the Commission determined that the domestic interested party group response to its notice of institution (88 FR 6787, February 1, 2023) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

*Staff report.*—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the

Administrative Protective Order service list for these reviews on July 5, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

**Written submissions.**—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before July 13, 2023, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by July 13, 2023. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Determination.**—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is

published pursuant to § 207.62 of the Commission's rules.
