Final Approval Under OMB Delegated Authority of the Extension for Three Years, With Revision, of the Following Information Collection

Collection title: Registration of Mortgage Loan Originators.
Collection identifier: CFPB G.
OMB control number: 7100–0328.
Effective Date: July 7, 2023.
General description of collection: In accordance with the Secure and Fair Enforcement for Mortgage Licensing Act, the Consumer Financial Protection Bureau's (CFPB) Regulation G requires residential mortgage loan originators (MLOs) to register with the Nationwide Multistate Licensing System (NMLS),¹ maintain this registration, obtain a unique identifier, and disclose to consumers upon request and through the NMLS their unique identifier and the MLO's employment history and publicly adjudicated disciplinary and enforcement actions. The CFPB's regulation also requires the institutions employing MLOs to adopt and follow written policies and procedures to ensure that their employees comply with these requirements and to conduct annual independent compliance tests.

Frequency: Annually.

Respondents: The Board's CFPB G panel comprises state member banks (SMBs) with \$10 billion or less in total assets that are not affiliates of insured depository institutions with total assets of more than \$10 billion; subsidiaries of such SMBs that are not functionally regulated within the meaning of section 5(c)(5) of the Bank Holding Company Act of 1956; branches and agencies of foreign banks (other than federal branches, federal agencies, and insured

state branches of foreign banks); commercial lending companies owned or controlled by foreign banks (collectively, banking organizations); and the employees of these banking organizations who act as residential MLOs.

Total estimated number of respondents: 17,467.

Total estimated change in burden: (63,951).

Total estimated annual burden hours: 23,366.²

Current actions: On January 27, 2023, the Board published an initial notice in the **Federal Register** (88 FR 5343) requesting public comment for 60 days on the extension, with revision, of the CFPB G. The Board proposed to revise the CFPB G to (1) account for Section 1007.103(e) banking organization disclosure of registration information requirements burden separately from Section 1007.104 banking organization recordkeeping requirements burden, (2) revise the average annual estimated hourly burden per banking organization (for both banking organizations already subject to these requirements and banking organizations newly subject to these requirements) associated with Section 1007.103(e) disclosure of registration information, and (3) reflect the information collection burden associated with Section 1007.105 requirements as disclosure requirements instead of as recordkeeping requirements, as was done previously.

The comment period for this notice expired on March 28, 2023. The Board did not receive any comments. The revisions will be implemented as proposed.
