#### SUPPLEMENTARY INFORMATION:

#### Background

On December 6, 2022, Commerce published the preliminary results of the 2020 administrative review of the countervailing duty order on chlorinated isos from China.<sup>1</sup> This review covers two companies, Heze Huayi Chemical Co., Ltd. (Heze Huayi) and Juancheng Kangtai Chemical Co., Ltd. (Kangtai).<sup>2</sup> We invited interested parties to comment on the *Preliminary Results*.<sup>3</sup> On February 10, 2023, we received a case brief from Bio-Lab, Inc., Clearon Corp., and Occidental Chemical Corporation (collectively, the petitioners).<sup>4</sup> On February 16, 2023, we

<sup>2</sup> In the *Preliminary Results*, we rescinded the review with respect to an additional company, Hebei Jiheng Chemicals Co., Ltd. However, we incorrectly identified the company as “Hebei Jiheng Chemical Co., Ltd.,” instead of Hebei Jiheng Chemicals Co., Ltd. See *Preliminary Results*, 87 FR at 74601. We are correcting this error for these final results. The correct company name was published in the *Order*. #### Changes Since the Preliminary Results

#### Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each subsidy program found to be countervailable, Commerce finds that there is a subsidy, *i.e.*, a financial contribution from a government or public entity that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>7</sup> For a full description of the methodology underlying all of Commerce's conclusions, including any

#### Final Results of Administrative Review

In accordance with 19 CFR 351.221(b)(5), Commerce calculated the following net countervailable subsidy rates for the period January 1, 2020, through December 31, 2020:

Producer/exporter	Subsidy rate (percent ad valorem)
Heze Huayi Chemical Co., Ltd .....	3.04
Juancheng Kangtai Chemical Co., Ltd .....	1.22

#### Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with a final determination within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because there are no changes from the *Preliminary Results*, there are no calculations to disclose.

#### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results of review. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Instructions

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms subject to the *Order*, we

will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, effective upon publication of the final results of review, shall remain in effect until further notice.

#### Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

#### Notification to Interested Parties

Commerce is issuing and publishing the final results of review in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).
