*Respondents:* Businesses or other for-profits, Not-for-profit institutions.

*Estimated Number of Respondents:* 589,500.

*Abstract:* The Rural Rental Housing program provides adequate, affordable, decent, safe, and sanitary rental units for very low-, low-, and moderate-income households in rural areas. The programs covered by this part are authorized by title V of the Housing Act of 1949 and are: (1) Section 515 Rural Rental Housing, which includes congregate housing, group homes, and Rural Cooperative Housing. The section 515 direct loan program provides financing to support the development of rental units in rural areas that need housing affordable to very low-, low-, and moderate-income households, and where this housing is unlikely to be provided through other means. (2) Sections 514 and 516 Farm Labor Housing loans and grants. Section 514/516 direct loan and grant programs provide funds to support the development of adequate, affordable housing for farm workers that is unlikely to be provided through other means. (3) Section 521 Rental Assistance. A project-based tenant rent subsidy which may be provided to Rural Rental Housing and Farm Labor Housing facilities.

The Rural Housing Service is revising this information collection to include a new form. The new form titled “Replacement Reserve Intercreditor Agreement” (ICA) is a supplement to the existing section 515 Subordination Agreement. The ICA form will be used between the section 515 RRH Borrower/Owner and the section 538 Lender to establish control and guidance on how the Reserve Account will be handled in a joint transaction. The ICA will add an

additional 24 responses and 4 hours to the collection’s total burden.

Information is completed by developers and potential borrowers seeking approval of rural rental housing loans with the assistance of professionals such as attorneys, architects, and contractors and the operation and management of the MFH properties in an affordable decent, safe and sanitary manner. The forms and information provide the basis for making determinations of eligibility and the need and feasibility of the proposed housing. The information provides the basis for determining that rents charged are appropriate, the housing is well-maintained, and proper priority is given to those tenants eligible for occupancy. Information is collected to assure compliance with the terms and conditions of loan, grant and/or subsidy agreements.

Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) the accuracy of the agency’s estimate of the burden of the collection of information including the validity of the methodology and assumptions used;

(c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Issues and Decision Memorandum. A list of the issues that parties raised and to which we responded in the Issues and Decision Memorandum is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Changes Since the Preliminary Results**

Based on our review of the record and comments received from interested parties regarding the *Preliminary Results*, we made certain changes to the margin calculation for Deacero Group,

which has also resulted in changes to the rate assigned to the non-selected companies. For a discussion of these changes, see the Issues and Decision Memorandum.

**Rates for Companies Not Selected for Individual Examination**

For the rate for non-selected respondents in an administrative review, generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.” In this

segment of the proceeding, we calculated weighted-average dumping margins for both mandatory respondents, Deacero S.A.P.I. de C.V. (Deacero) and Ingeteknos Estructurales, S.A. de C.V. (Ingetek) (collectively, Deacero Group) and Grupo Acerero S.A. de C.V. (Acerero), that are not zero, *de minimis*, or determined entirely on the basis of facts available. Accordingly, Commerce is assigning the weighted average of the dumping margins calculated for the two respondents as the rate for those companies not selected for individual examination, which are listed below.

**Final Results of Review**

Commerce determines that the following weighted-average dumping margins exist for the period November 1, 2020, through October 31, 2021:

Producer or exporter	Weighted-average dumping margin (percent)
Deacero S.A.P.I. de C.V./Ingeteknos Estructurales, S.A. de C.V .....	2.30
Grupo Acerero S.A. de C.V .....	16.28
ArcelorMittal Mexico SA de CV .....	5.78
Grupo Simec/Aceros Especiales Simec Tlaxcala, S.A. de C.V./Compania Siderurgica del Pacifico S.A. de C.V./Fundiciones de Acero Estructurales, S.A. de C.V./Grupo Chant S.A.P.I. de C.V./Operadora de Perfiles Sigosa, S.A. de C.V./Orge S.A. de C.V./Perfiles Comerciales Sigosa, S.A. de C.V./RRLC S.A.P.I. de C.V./Siderúrgicos Noroeste, S.A. de C.V./Siderurgica del Occidente y Pacifico S.A. de C.V./Simec International, S.A. de C.V./Simec International 6 S.A. de C.V./Simec International 7 S.A. de C.V./Simec International 9 S.A. de C.V .....	5.78%
Sidertul S.A. de C.V .....	5.78

**Disclosure**

Commerce intends to disclose the calculations performed for these final results to interested parties in this review under administrative protective order within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rate**

Pursuant to section 751(a)(2)(A) of the Act, and 19 CFR 351.212(b)(1), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review. Pursuant to 19 CFR 351.212(b)(1), for Deacero Group and Acerero, we calculated importer-specific antidumping duty assessment rates by aggregating the total amount of dumping calculated for the examined sales of each importer and dividing each of these amounts by the total entered value associated with those sales. Where either the respondent’s weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific

assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce’s “automatic assessment” will apply to entries of subject merchandise during the POR for which the examined companies did not know that the merchandise they sold to an intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.

For the companies which were not selected for individual examination, we will instruct CBP to assess antidumping duties at an *ad valorem* assessment rate equal to the company-specific weighted-average dumping margin determined in these final results.

Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of the final results of this review in the **Federal Register** in accordance with 19 CFR 356.8(a).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rates for the companies identified above in the “Final Results of Review” section will be equal to the company-specific weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by a company not covered in this administrative review but covered in a completed prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review or completed prior segment of this proceeding but the producer is, the cash deposit rate will be the company-specific rate established for the most recently-completed segment of this

proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 20.58 percent, the rate established in the investigation of this proceeding.<sup>4</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

### Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5) and 19 CFR 351.213(h)(1).

Dated: June 2, 2023.
