

announcements will also be published in local Spanish-language newspapers, and Spanish speakers will be present at the meetings.

**ADDRESSES:** The DoN invites all interested parties to submit scoping comments on the Improving Home Port Facilities for Three Nimitz-Class Aircraft Carriers in Support of the U.S. Pacific Fleet SEIS. Information regarding the project, the public meetings and how to submit comments is available at the DoN project website address, <https://www.nepa.navy.mil/northislandCVNs>. The public scoping meetings will be held at the following locations:

1. June 27, 2023, 6:30 p.m. to 9:00 p.m., Logan Memorial Educational Campus, Building K101, MPR Room, 2875 Ocean View Blvd., San Diego, CA 92113.

2. June 28, 2023, 5:00 p.m. to 7:30 p.m., Coronado Community Center, Nautilus Room, 1845 Strand Way, Coronado, CA 92118.

3. June 29, 2023, 5:00 p.m. to 7:30 p.m., Burrell Auditorium, South Bay Union School District, 601 Elm Ave., Imperial Beach, CA 91932.

Comments may be received:

- In person at the public meetings,
- Electronically via the project website, <https://www.nepa.navy.mil/northislandCVNs> by 11:59 PDT, July 24, 2023,

- By mail, postmarked no later than July 24, 2023 to the following address: Naval Facilities Engineering Systems Command, Atlantic 6506 Hampton Blvd., Building A, Norfolk, VA 23508 ATTN: EV21, CVN SEIS Project Manager

**FOR FURTHER INFORMATION CONTACT:** U.S. Fleet Forces Command, 1562 Mitscher Avenue, Suite 250, Norfolk, VA 23551-2487, Attn: Mr. Theodore Brown, Installations and Environment Public Affairs Officer, 757-836-4427, or visit the project website: <https://www.nepa.navy.mil/northislandCVNs>.

**SUPPLEMENTARY INFORMATION:** U.S. Fleet Forces Command is the DoN's action proponent for the SEIS. NASNI, which is part of Naval Base Coronado, is located in Coronado approximately 1.5 kilometers (1 mile) west, and across San Diego Bay from, downtown San Diego, California. NASNI is a major port for CVNs and a key support location for the West Coast fleet. NASNI and its CVN berthings are critical to the DoN's presence and military readiness in the Pacific Ocean.

The SEIS is being prepared for the limited purpose of supplementing the 1999 FEIS, and subsequent 2008 SEIS, with current circumstances and

information. The Proposed Action will address modernization of shoreside electrical infrastructure, CVN routine pier-side maintenance actions, and update the environmental effects associated with current mission objectives, which may result in three CVNs being simultaneously in port at Naval Air Station North Island (NASNI) for more intermittent, nonconsecutive days per year than analyzed in prior NEPA documents. The 1999 FEIS estimated that, once homeported, three CVNs would be in port simultaneously for an average of 13 intermittent, nonconsecutive days per year. By the time of the 2008 SEIS, that estimate had changed to an average of 29 intermittent, nonconsecutive days per year. That estimate has again changed to address current maintenance, training, and deployment requirements and a SEIS is required to update the environmental analysis based on this updated estimate. Because of the number of variables involved with predicting CVN berthing requirements, the DoN plans to analyze the impacts of an anticipated need for three CVNs to be in port simultaneously for an average of 180 intermittent, nonconsecutive days per year. Although it is considered unlikely that this 180-day scenario would ever occur, the DoN has chosen a conservative average number of intermittent, nonconsecutive days per year in order to ensure a "hard look" at the potential impacts of this ongoing project.

The purpose of the Proposed Action is to meet the DoN's mission requirement to support its West Coast fleet and to maintain military readiness of naval forces for prompt and sustained combat incident to operations at sea to meet the needs of war, now and into the future, consistent with Title 10, Section 8062, of the United States Code.

The Proposed Action is needed because (1) CVN-capable berths at NASNI do not currently have the capability to support the DoN's next generation (FORD-Class) of CVNs (2) current mission objectives (to include operational, deployment, and maintenance schedules) may result in three CVNs in port at NASNI at the same time for more intermittent, nonconsecutive days per year than previously analyzed. The presence of three CVNs may include all three NASNI-homeported CVNs or two NASNI-homeported CVNs and one transient CVN. Transient FORD-Class CVNs may berth at NASNI once deployed on the West Coast.

The DoN will evaluate the potential environmental impacts to, but not limited to, the following environmental

resources: traffic; air quality; socioeconomic; and environmental justice.

The scoping process is helpful in identifying public concerns and local issues to consider during the development of the Draft SEIS. Federal, state, and local agencies; federally recognized tribes; and interested persons are encouraged to provide substantive comments to the DoN on environmental resources and issue areas of concern that the commenter believes the DoN should consider. All comments, provided in writing at the scoping meetings, submitted via the DoN website, or mailed, will be taken into consideration during the development of the Draft SEIS.

The project website <https://www.nepa.navy.mil/northislandCVNs> provides information on the Proposed Action, the NEPA process and project schedule. Additional opportunities for public comment will occur after the release of the Draft SEIS. The DoN intends to publish the Draft SEIS in mid-2024, publish the Final SEIS in spring 2025, and sign a Record of Decision following the 30-day Final SEIS wait period.

Dated: June 2, 2023.

## DEPARTMENT OF EDUCATION

[Docket No.: ED-2023-SCC-0098]

### Agency Information Collection Activities; Comment Request; Report of the Randolph-Sheppard Vending Facility Program

**AGENCY:** Office of Special Education and Rehabilitative Services (OSERS), Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a revision of a currently approved information collection request (ICR).

**DATES:** Interested persons are invited to submit comments on or before August 8, 2023.

**ADDRESSES:** To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED-2023-SCC-0098. Comments submitted in response to this notice should be

submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. If the [regulations.gov](http://www.regulations.gov) site is not available to the public for any reason, the Department will temporarily accept comments at [ICDocketMgr@ed.gov](mailto:ICDocketMgr@ed.gov). Please include the docket ID number and the title of the information collection request when requesting documents or submitting comments. Please note that comments submitted after the comment period will not be accepted. Written requests for information or comments submitted by postal mail or delivery should be addressed to the Manager of the Strategic Collections and Clearance Governance and Strategy Division, U.S. Department of Education, 400 Maryland Ave SW, LBJ, Room 6W203, Washington, DC 20202–8240.

**FOR FURTHER INFORMATION CONTACT:** For specific questions related to collection activities, please contact Jesse Hartle, 202–245–6415.

**SUPPLEMENTARY INFORMATION:** The Department, in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Report of the Randolph-Sheppard Vending Facility Program.

*OMB Control Number:* 1820–0009.

*Type of Review:* A revision of a currently approved ICR.

*Respondents/Affected Public:* State, local, and Tribal governments.

*Total Estimated Number of Annual Responses:* 51.

*Total Estimated Number of Annual Burden Hours:* 1,199.

*Abstract:* The U.S. Department of Education (Department) is seeking a continuation of this data collection with revisions necessitated by: (1) a limited exception to the definition of “equipment” in 2 CFR 200.1; (2) guidance issued by the Rehabilitation Services Administration (RSA) with respect to “Allowable Sources of Non-Federal Share for the State Vocational Rehabilitation Services Program;” (3) citation changes made to the definitions contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance); and (4) requests for clarity from State licensing agencies (SLAs) regarding which non-Federal expenditures incurred for the benefit of the Randolph-Sheppard Vending Facilities Program (RSVFP) may be used for satisfying the match and maintenance of effort (MOE) requirements under the VR program. This proposed information collection request (ICR) also proposes a few other technical edits to improve clarity. Current approval for this data collection expires February 29, 2024, but is it requested to use the new instructions at the start of FY 2024 for FY 2023.

The Randolph-Sheppard Act (Act), at 20 U.S.C. 107a(6)(a), directs the Secretary of Education, through the Commissioner of RSA, to conduct periodic evaluations of the programs authorized under the Act. In addition, section 107b(4) requires State government entities designated as the SLA to “make such reports in such form and containing such information as the Secretary may from time to time require . . . .” Sections 107a(a)(2) and (4) of the Act also require the Secretary of Education to “. . . make annual surveys of concession vending opportunities for blind vendors on Federal and other property . . . .” and to “. . . make available to the public . . . information obtained as a result of such surveys.” The information to be collected is a necessary component of the data gathering and evaluation process and forms the basis for the Randolph-Sheppard Act section of the RSA annual report to Congress, which is required by section 13 of the Rehabilitation Act of 1973 (Rehabilitation Act) (29 U.S.C. 710). The RSA–15 form includes information on the activities under this program and is used in monitoring the

States' implementation of the program. In addition, the fiscal data collected by the RSA–15 highlight the fiscal nexus between the RSVFP and VR program in each State, particularly with respect to the use of Federal VR

This information collection (IC) will be implemented upon the expiration of the current IC on February 29, 2024; however it is requested to begin the use of this form and the new instructions for the FY 2023 data collection (October 1, 2023). The RSA–15: Report of Randolph-Sheppard Vending Facility Program 1820–0009 is available both in hard copy and electronically; however, data will be submitted and collected through the RSAMIS on the [rsa.ed.gov](http://rsa.ed.gov) website by each of the 51 SLAs.

Dated: June 6, 2023.

## DEPARTMENT OF ENERGY

### International Energy Agency Meetings

**AGENCY:** Department of Energy.

**ACTION:** Notice of meetings.

**SUMMARY:** The Industry Advisory Board (IAB) to the International Energy Agency (IEA) will meet on June 14, 15, 2023, as a hybrid meeting via webinar and in person, in connection with a joint meeting of the IEA's Standing Group on Emergency Questions (SEQ) and the IEA's Standing Group on the Oil Market (SOM) which is scheduled at the same time via webinar.

**DATES:** June 14, 15, 2023.

**ADDRESSES:** The location details of the SEQ and SOM webinar meeting are under the control of the IEA Secretariat, located at 9 rue de la Fédération, 75015 Paris, France. The in person meeting will take place at IEA Headquarters, 9 rue de la Fédération, 75015 Paris, France.

**FOR FURTHER INFORMATION CONTACT:** Mr. Thomas Reilly, Assistant General Counsel for International and National Security Programs, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585, (202) 586–5000.

**SUPPLEMENTARY INFORMATION:** In accordance with section 252(c)(1)(A)(i) of the Energy Policy and Conservation Act (42 U.S.C. 6272(c)(1)(A)(i)) (EPCA),
