17 CFR Parts 200, 229, 249, 270, 274 and 275

[Release No. 33-11197; 34-97621; IA-6316; IC-34932]

Technical Amendments to Commission Rules and Forms

AGENCY: Securities and Exchange Commission.

ACTION: Final rule; technical amendments.

SUMMARY: The Securities and Exchange Commission (“Commission”) is adopting technical amendments to various rules and forms under the Securities Act of 1933 (“Securities Act”), the Securities Exchange Act of 1934 (“Exchange Act”), and the Investment Company Act of 1940 (“Investment Company Act”), as well as to the rule setting forth undertakings that certain registrants must include in their registration statements, and to the general authority provision corresponding to Commission rules under the Investment Advisers Act of 1940 (“Investment Advisers Act”). These revisions make changes to correct errors that are technical in nature, including typographical errors and erroneous cross-references in various Commission rules and forms.

DATES: This rule is effective June 12, 2023, except for the amendment to 17 CFR 200.30–5 at instruction 2, which is effective July 2, 2024.

FOR FURTHER INFORMATION CONTACT: Quinn Kane, Senior Counsel, or Amanda Hollander Wagner, Senior Special Counsel, at (202) 551–6792, Investment Company Regulation Office, Division of Investment Management, at the Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549.

SUPPLEMENTARY INFORMATION: The Commission is amending the following rules and forms:

Commission reference	CFR citation (17 CFR)
Regulation S–K: Item 512	§ 229.512.
Securities Act and Investment Company Act: ¹ Form N–2	§§ 239.14 and 274.11a–1.
Form N–14	§ 239.23.
Investment Company Act: Rule 12d1–1	§ 270.12d1–1.
Rule 12d1–3	§ 270.12d1–3.
Rule 271–1	§ 270.271–1.
Rule 30–5	§ 200.30–5.
Exchange Act: ² Form 13F	§ 249.325.

The amendments make technical changes to various Commission rules and forms. Some of the amendments update or correct cross-references to other rules or provisions. The amendments to Rule 12d1–1 and Rule 12d1–3 under the Investment Company Act update cross-references to former National Association of Securities Dealers (NASD) rules that have been superseded by Financial Industry Regulatory Authority (FINRA) rules. The amendment to Form 13F corrects an erroneous cross-reference resulting from recent amendments to the form, which became effective on January 3, 2023.²

Other amendments are intended to make technical updates to instructions associated with certain form requirements, and to make typographical and other corrections to inadvertent errors or omissions, including removing outdated references in rules and forms. The amendments related to Instruction 3.D to the Calculation of Filing Fee Tables and Related Disclosure in Item 25 of Form N–2 and Item 16 of N–14 make typographical corrections designed to make the instructions consistent with a simplified construction that was incorporated in parallel instructions to other forms as part of a recent Commission rulemaking.³ Other amendments to Form N–2 and Item 512 of Regulation S–K modify references that have in recent years been rendered

² See *Electronic Submission of Applications for Orders under the Advisers Act and the Investment Company Act, Confidential Treatment Requests for Filings on Form 13F, and Form ADV–NR; Amendments to Form 13F*, Investment Company Act Release No. 34635 (June 23, 2022) [87 FR 38943 (June 30, 2022)]. Special Instruction 11 to Form 13F erroneously states that the Information Table should be presented “in accordance with the column instructions provided in Special Instructions 11.b.i through 12.b.viii.” (emphasis added). This error is the result of Special Instruction 2 being deleted, causing a renumbering of the ensuing instructions. The Commission is therefore adopting an amendment to update the Special Instruction to provide an accurate cross-reference consistent with the Commission’s statement that this Instruction would cross reference “. . . the column instructions provided in Special Instructions 11.b.i through 11b.viii.” (emphasis added).

³ See *Filing Fee Disclosure and Payment Methods Modernization*, Investment Company Act Release No. 34396 (Oct. 13, 2021) [86 FR 70166 (Dec. 9, 2021)] (“2021 Fee Tagging Release”). In this rulemaking the Commission amended a number of fee-bearing forms, schedules, statements, and related rules to require each filing fee table and accompanying disclosure to include all required information for fee calculation in a structured format. Specifically, we are correcting language in an example to the above-referenced instruction that currently refers to a pre-effective amendment to the filing of the Form N–2 on 2/15/20X1 by changing this language to instead refer to a pre-effective amendment to the Form N–2 filed on 2/15/20X1.

obsolete.⁴ The amendment to Rule 271–1 under the Investment Company Act restores language in the rule text that was inadvertently removed when this rule was renumbered in a recent rulemaking, in light of the renumbering of section 27(c) of the Investment Company Act to section 27(i) enacted by the National Securities Market Improvement Act of 1996.⁵ The corrections to Rule 30–5 under the Investment Company Act are designed to conform the rule to the standard paragraph numbering structure for Commission rules.

Lastly, the Commission is removing an erroneously included general authority provision for 17 CFR part 275, which contains Commission rules under the Investment Advisers Act.⁶

Statutory Authority

We are adopting these technical amendments under the authority set

⁴ Item 34.3.a.(2) of Form N–2 currently contains an exception to a requirement for filers to furnish certain undertakings to reflect fundamental changes to information provided in registration statements for changes in the price and volume of an offering that deviates by no more than 20% from the maximum aggregate offering price set forth in the Calculation of Registration Fee table. This table was removed pursuant to the 2021 Fee Tagging Release and was replaced with the Calculation of Filing Fee tables, filed as an exhibit to the fund’s effective registration exhibit. Item 34.3.a.(2) should have therefore been amended at that time to instead refer to the Calculation of Filing Fee tables, which set forth the maximum aggregate offering price upon which this exception is contingent. Accordingly, we are amending Item 34.3.a(2) in this release in order to correct this erroneous reference. We are making corresponding amendments to Item 512(a)(1)(ii) of Regulation S–K, which the undertaking in Item 34.3.a mirrors, for the same reasons.

⁶ This authority provision was added in conjunction with a rule 211h–1 under the Advisers Act, which the Commission had proposed but did not adopt. See *Form CRS Relationship Summary; Amendments to Form ADV*, Exchange Act Release No. 86032 (June 5, 2019) [84 FR 33492 July 12, 2019] at n. 1198.

[Docket No. USCG–2022–0071]

RIN 1625–AC81

State Enforcement of Inland Navigation Rules

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is issuing this final rule to adopt the 2022 interim rule removal of an incorrect statement in the Code of Federal Regulations about field preemption of State or local regulations regarding inland navigation. The incorrect language was added by a 2014 final rule, and the error was subsequently discovered. By adopting the removal of this language, this rule clarifies the ability of States to regulate inland navigation as they have historically done. This rule does not require States to take any action.

DATES: This final rule is effective June 12, 2023.

II. Basis and Purpose, and Regulatory History

Section 3 of the Inland Navigational Rules Act of 1980, as amended by section 303 of the Coast Guard and Maritime Transportation Act of 2004,¹ “Inland Navigation Rules Promulgation Authority,” authorizes the Secretary of the Department in which the Coast Guard is operating to issue inland navigation regulations and technical annexes for all vessels on the inland waters of the United States. The goal of such regulations is to be as consistent as possible with the corresponding international regulations. The Secretary delegated this authority to the Coast Guard in Department of Homeland Security (DHS) Delegation 00170.1, Revision No. 01.3, paragraph (II)(79). The purpose of this final rule is to correct an error in title 33 of the Code of Federal Regulations (CFR) part 83, specifically in paragraph (a) of § 83.01, about the preemptive effect of the navigation regulations upon State or local regulation.

On September 6, 2022, the Coast Guard published an interim rule, making this correction effective immediately for good cause. (87 FR 54385) The interim rule also solicited public comments for 90 days.

III. Background

The Inland Navigation Rules (hereafter “Inland Rules”) are a body of “special rules” as referred to in Rule 1 of the International Regulations for Prevention of Collisions at Sea, 1972, often referred to as “COLREGS” or “International Rules.” The President proclaimed the International Rules as

¹Public Law 108–293, 118 Stat. 1028, Aug. 9, 2004. Section 3 of the Inland Navigational Rules Act of 1980 is codified at 33 U.S.C. 2071.
