

including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Abstract:** This part establishes the procedures for any person to notify the Office of Surface Mining Reclamation and Enforcement in writing of any violation that may exist at a surface coal mining operation and to request a Federal inspection. The information will be used to investigate potential violations of the Act or applicable State regulations.

**Title of Collection:** Federal Inspections and Monitoring.

**OMB Control Number:** 1029–0118.

**Form Number:** None.

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:** Individuals.

**Total Estimated Number of Annual Respondents:** 15.

**Total Estimated Number of Annual Responses:** 15.

**Estimated Completion Time per Response:** 1 hour.

**Total Estimated Number of Annual Burden Hours:** 15.

**Respondent's Obligation:** Required to obtain or retain a benefit.

**Frequency of Collection:** Once.

**Total Estimated Annual Nonhour Burden Cost:** None.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

#### Notice Pursuant to the National Cooperative Research and Production Act of 1993—Undersea Technology Innovation Consortium

Notice is hereby given that, on April 6, 2023, pursuant to Section 6(a) of the

National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), the Undersea Technology Innovation Consortium (“UTIC”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Customer First Corporation, Middletown, RI; Edge Case Research, Inc., Pittsburgh, PA; Image Acoustics, Inc., Quincy, MA; MagiQ Technologies, Inc., Somerville, MA; and SyQwest, Inc., Cranston, RI, have been added as parties to this venture.

Also, Michigan Tech. University, Houghton, MI; Navmar Applied Sciences Corp., Warminster, PA; The Nomad Group LLC, Morristown, NJ; Thornton Tomasetti, Inc., New York, NY; Sirius Federal LLC, Crofton, MD; Sonatech LLC, Santa Barbara, CA; and Submergence Group LLC, Cedar Park, TX, have withdrawn as parties to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and UTIC intends to file additional written notifications disclosing all changes in membership.

On October 9, 2018, UTIC filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on November 2, 2018 (83 FR 55203).

The last notification was filed with the Department on January 5, 2023. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on January 25, 2023 (88 FR 4847).

**Suzanne Morris,**

*Deputy Director, Civil Enforcement  
Operations, Antitrust Division.*
