

DEPARTMENT OF JUSTICE**Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—Electrified Vehicle and Energy Storage Evaluation**

Notice is hereby given that, on April 13, 2023, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Electrified Vehicle and Energy Storage Evaluation (“EVESE”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Brunswick, Mettawa, IL, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and EVESE intends to file additional written notifications disclosing all changes in membership.

On September 24, 2020, EVESE filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on October 15, 2020 (85 FR 65423).

The last notification was filed with the Department on December 21, 2021. A notice was published in the **Federal Register** pursuant to Section 6(b) of the Act on January 13, 2022 (87 FR 2182).

Suzanne Morris,

Deputy Director, Civil Enforcement Operations, Antitrust Division.
