

by the close of the thirtieth (30th) day following the request, provide a written notice advising the requestor of the reasons for the refusal and that the Department may request such information.

(3) The Trustee must provide sufficient information necessary for it to demonstrate that the exemption conditions have been met over the prior six-year period. The Trustee must maintain and retain such records in a manner that ensures it would be able to provide the information to the Department within 30 calendar days of a request.

(f) Material Facts and Representations

All the material facts and representations provided by the Applicants are true and accurate at all times.

*Section IV. Phase-In Conditions*

The following additional conditions apply as of the first day of the first plan year after the Grant Date.

(a) Plan Documents and Contracts

(1) Plan documents and disclosures:  
(A) accurately describe the role and fiduciary status of the Trustee;

(B) do not include any disclaimers of fiduciary status for any party, including AWB and any Affiliate; and

(C) do not indicate, in any way, including on a website, that AWB or its Affiliates are the sponsor of the Plan.

(2) The insurance contract is held in the name of the Plan.

(3) AWB-Affiliated Service Providers contractually agree that all information they provide to the Trustee, Participating Employers and prospective Participating Employers regarding their services to the Plan and related fees is materially accurate at the time it is provided.

(b) Fees

(1) Before entering into any contract for services with an AWB-Affiliated Service Provider on behalf of the Plan, the Trustee:

(A) Negotiates the rate of fees to be paid for services to the Plan and ensures that the rate does not increase during the contract period; and

(B) Contractually prohibits the AWB-Affiliated Service Provider from receiving any fees other than those paid directly by the Plan.

(2) Fees for service providers, other than any insurance broker of record that is not Affiliated with AWB, are established independently of other service provider fees, so that an increase in one fee does not, directly or indirectly, cause an increased payment

to another service provider. For purposes of this condition, a service provider fee does not include an insurance premium (*i.e.*, fees may be calculated as percentages of premiums paid to the insurance company).

(3) Fees collected from Participating Employers and Plan participants are based on actual, rather than estimated, amounts due to service providers.

(c) Disclosure

(1) The disclosure described in Section III(d)(1) includes the following additional information:

(A) A description of any compensation that the AWB-Affiliated Service Provider, or any subcontractor, reasonably expects to receive in connection with termination of a contract or arrangement with the Plan and how any prepaid amounts will be calculated and refunded upon such termination; and

(B) A description of the methodology by which AWB-Affiliated Service Provider fees are calculated, including examples with dollar amounts.

(2) The Plan documents require the AWB-Affiliated Service Provider to furnish, upon written request, any information the Trustee reasonably requests, within 30 days after the request unless the disclosure cannot be provided due to extraordinary circumstances beyond the control of the AWB-Affiliated Service Provider, in which case the information must be provided as soon as reasonably practicable and the AWB-Affiliated Service Provider must provide the Trustee with a notice explaining why they cannot meet the 30-day deadline.

(d) Monthly Billing Statements

The Trustees provide to Participating Employers a monthly billing statement that includes:

(1) The following statement: “The amounts you pay each month for health insurance coverage include fees for administrative services, including fees paid to service providers affiliated with the Association of Washington Business (AWB). A description of the services provided by each AWB affiliate is provided to you at the time of your initial enrollment and at each annual renewal. You can also contact [NAME, phone number, email address] for additional copies.”

(2) A chart accurately listing all service providers and the fee percentages or other amounts they receive. If any administrative services fees are expressed as a percentage of the insurance premium, the disclosure must also include an example showing how

fees would be calculated based on a \$1,000 insurance premium; and

(3) A point of contact, including a phone number and email address, for copies of disclosures or for additional information.

*Exemption date:* If granted, the exemption will be in effect as of the date of publication of the final exemption in the **Federal Register**.
