

control to prevent the diversion of laboratory supplies used for the manufacture of listed chemicals and controlled substances. It will not, however, impose any new regulatory burden on the public. Nevertheless, since no updates have been made since May 13, 1999, when DEA originally published its final rule regarding the Special Surveillance List,⁷ DEA is providing the opportunity for comment. This notice of proposed updates fulfills the requirement imposed by Section 205 of the MCA that the Attorney General shall publish a Special Surveillance List which contains chemicals, products, materials, or equipment used in the manufacture of listed chemicals and controlled substances.

BILLING CODE 4410-FY-P

DEPARTMENT OF LABOR

Employment and Training Administration

Labor Certification Process for the Temporary Employment of Foreign Workers in Agriculture in the United States: Adverse Effect Wage Rate Updates for Non-Range Occupations

AGENCY: Employment and Training Administration, Department of Labor.

ACTION: Notice.

SUMMARY: The Employment and Training Administration of the Department of Labor (DOL) is issuing this notice to announce updates to the Adverse Effect Wage Rates (AEWR) for the employment of temporary or seasonal nonimmigrant foreign workers (H-2A workers) to perform agricultural labor or services other than the herding or production of livestock on the range. AEWRs are the minimum wage rates DOL has determined must be offered, advertised in recruitment, and paid by employers to H-2A workers and workers in corresponding employment so that the wages and working conditions of workers in the United States (U.S.) similarly employed will not be adversely affected. In this notice, DOL announces the AEWRs based on wage data reported by DOL's Bureau of Labor Statistics (BLS) Occupational Employment and Wage Statistics (OEWS) survey. The AEWRs established in this notice are applicable to H-2A job opportunities classified: in Standard Occupational Classification (SOC) codes other than the six SOC codes comprising the field and livestock workers (combined) group, and in the field and livestock workers (combined) occupational group that are located in

States or regions, or equivalent districts or territories, for which the United States Department of Agriculture's Farm Labor Report (better known as the Farm Labor Survey, or FLS) does not report a wage.

DATES: These rates are effective July 1, 2023.

FOR FURTHER INFORMATION CONTACT:

Brian Pasternak, Administrator, Office of Foreign Labor Certification, Employment and Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Room N-5311, Washington, DC 20210, telephone: (202) 693-8200 (this is not a toll-free number). Individuals with hearing or speech impairments may access the telephone numbers above via TTY/TDD by calling the toll-free Federal Information Relay Service at 1 (877) 889-5627.

SUPPLEMENTARY INFORMATION: The U.S. Citizenship and Immigration Services of the Department of Homeland Security will not approve an employer's petition for the admission of H-2A nonimmigrant temporary and seasonal agricultural workers in the U.S. unless the petitioner has received an H-2A labor certification from DOL. DOL issues such labor certification when it determines that: (1) there are not sufficient U.S. workers who are able, willing, and qualified and who will be available at the time and place needed to perform the labor or services involved in the petition; and (2) the employment of the foreign worker(s) in such labor or services will not adversely affect the wages and working conditions of workers in the U.S. similarly employed. See 8 U.S.C. 1101(a)(15)(H)(ii)(a), 1184(c)(1), and 1188(a); 8 CFR 214.2(h)(5); 20 CFR 655.100.

DOL's H-2A regulations at 20 CFR 655.122(l) provide that employers must pay their H-2A workers in non-range occupations¹ and workers in corresponding employment at least the highest of: (i) the AEWR; (ii) a prevailing wage rate if the Office of Foreign Labor Certification (OFLC) Administrator has approved a prevailing wage survey for the applicable crop activity or agricultural activity and, if applicable, a distinct work task or tasks performed in that activity; (iii) the agreed-upon collective bargaining wage rate; (iv) the Federal minimum wage rate; or (v) the State minimum wage rate, whichever is highest, for every hour or portion thereof worked during

¹ Range occupations (*i.e.*, herding and production of livestock on the range) are subject to 20 CFR 655.200 through 655.235, which include a wage obligation provision at 20 CFR 655.210(g) and a minimum monthly AEWR at 20 CFR 655.211.
