

4. What changes did we make to GRS 5.2, Transitory and Intermediary Records?

We revised this schedule to remove references to source records that have been digitized. These source records are now scheduled by GRS 4.5, item 010 (DAA-GRS-2022-0010-0001).

Additionally, the item descriptions have been revised to remove specific examples of record types covered by each item. The examples will be provided in GRS 5.2 Frequently Asked Questions (FAQs). This is part of a new approach we are taking with the GRS to focus on the criteria that identify records rather than long lists of examples that may not clearly represent the entire coverage of the disposition authority.

5. What changes did we make to GRS 5.4, Facility, Equipment, Vehicle, Property, and Supply Records?

We marked items 071, Facility, space, and equipment inspection, maintenance, and service records—Records tracking completion of custodial and minor repair work, as superseded. These records are now scheduled by GRS 5.2, item 010 (DAA-GRS-2022-0009-0001).

6. How do agencies cite GRS items?

When citing the legal disposition authority for records covered by the GRS in NARA documents, either when transferring records to Federal Records Centers for storage, to NARA for accessioning, or when requesting GRS deviations on record schedules, use the “DAA” number in the “Disposition Authority” column of the table. For example, use “DAA-GRS-2017-0007-0008” rather than “GRS 2.2, item 070.” A GRS Disposition Authority Look-Up Table is available on our website at <https://www.archives.gov/records-mgmt/grs.html>.

7. Do agencies have to take any action to implement these GRS changes?

NARA regulations (36 CFR 1226.12(a)) require agencies to disseminate GRS changes within six months of receipt.

Per 36 CFR 1227.12(a)(1), you must follow GRS dispositions that state they must be followed without exception.

Per 36 CFR 1227.12(a)(3), if you have an existing schedule that differs from a new GRS item that does *not* require being followed without exception, and you wish to continue using your agency-specific authority rather than the GRS authority, you must notify NARA within 120 days of the date of this transmittal. Please send these notifications to GRS_Team@nara.gov.

If you do not have an already existing agency-specific authority but wish to apply a retention period that differs from that specified in the GRS, you must submit a records schedule to NARA for approval via the Electronic Records Archives.

8. How can an agency get copies of the new GRS?

You can download the complete current GRS, in PDF format, from NARA's website at <http://www.archives.gov/records-mgmt/grs.html>.

9. Whom should an agency contact for further information?

Please contact GRS_Team@nara.gov with any questions related to this transmittal.

Colleen J. Shogan,

Archivist of the United States.

- III. Ordering Paragraphs

I. Introduction

On June 15, 2023, the Postal Service filed a notice with the Commission pursuant to 39 CFR 3035.105 and Order No. 546, giving notice of: (1) certain modifications to the competitive multi-product "Interconnect Renumeration Agreement USPS and Specified Postal Operators II" (IRA-USPS II Agreement); and (2) two accessions to the IRA-USPS II Agreement.¹ The IRA-USPS II Agreement is included within the Competitive Multi-Service Agreements with Foreign Postal Operators 1 product.²

On December 23, 2021, the Commission approved the inclusion of the IRA-USPS II Agreement in the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product as well as the initial inbound rates proposed by the Postal Service. Order No. 6074 at 5-7. Pursuant to the IRA-USPS II Agreement, any party to the IRA-USPS II Agreement can change or modify the agreement at any time and enter into separate bilateral or multilateral agreements with terms that differ from the IRA-USPS II Agreement. Notice at 2. The modifications proposed in the Notice are intended to take effect on

¹ Notice of United States Postal Service of Modification to Inbound Competitive Multi-Service IRA-USPS II Agreement, June 15, 2023 (Notice). Docket Nos. MC2010-34 and CP2010-95, Order Adding Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 to the Competitive Product List and Approving Included Agreement, September 29, 2010 (Order No. 546).

² Order Approving Additional Inbound Competitive Multi-Service Agreement with Foreign Postal Operators, December 23, 2021, at 5-7 (Order No. 6074).

July 1, 2023. *Id.* The Postal Service avers that it has agreed to the modifications with three parties and expects additional parties will accede to it in the future. *Id.* The Postal Service indicated its intent to update the docket as additional parties accede to the modifications. *Id.*

Specifically, the modifications revise: (1) the termination provisions and references to quality of service incentives; (2) the list of annexes with references to quality of service incentives; (3) the definitions in an annex; (4) the date of submission for certain rates to the International Post Corporation; (5) the structure of the quality of services incentives and related references; and (6) the accounting processes related to quality of service incentives and related references. *Id.* at 2-3. The Postal Service also noted that two additional Foreign Postal Operators (FPOs) acceded to the IRA-USPS II Agreement. *Id.* at 3.

Concurrent with the Notice, the Postal Service has filed: (1) the agreement to modify the IRA-USPS II Agreement and the modified version of the IRA-USPS II Agreement; (2) a certified statement concerning the rates under the modified IRA-USPS II Agreement as required by 39 CFR 3035.105(c)(2); (3) the Deed of Accession executed by the additional FPOs; and (4) supporting financial documentation. *Id.* at 4, Attachments 1-4. The Postal Service also requests that the Commission continue to treat materials filed as non-public pursuant to its Application for Non-Public Treatment, which was filed with the Postal Service's initial notice and is incorporated by reference. *Id.* at 4.

The Commission shall review the proposed IRA-USPS II Agreement modification to ensure that the Inbound Competitive Multi-Service Agreements with Foreign Postal Operators 1 product continues to cover its attributable costs, does not cause Market Dominant products to subsidize Competitive products as a whole, and contributes to the Postal Service's institutional costs. 39 U.S.C. 3633(a); 39 CFR 3035.105 and 3035.107.

II. Commission Action

The Commission seeks public comments from interested persons on whether the Postal Service's Notice concerning the IRA-USPS II Agreement as modified is consistent with 39 U.S.C. 3633 and 39 CFR 3036.105. Comments are due by June 23, 2023.

The Notice and related filings are available on the Commission's website (<http://www.prc.gov>). The Commission encourages interested persons to review the Notice for further details.
