The electronic records, files, and data are maintained in the FCC computer network databases. Access to the electronic files is restricted to authorized OIG supervisors and staff. Authorized OIG staff and OIG contractors and authorized staff and contractors in the FCC's Information Technology Center (ITC) have access to the electronic files on an "as needed" basis. Backup media are stored on-site and at a secured, off-site location. The FCC's computer network databases are protected by the FCC's security protocols, which include controlled access, passwords, and other security features to prevent unauthorized users from gaining access to the data and system resources. This comprehensive and dynamic set of IT safety and security protocols and features is designed to meet all Federal privacy standards, including those required by the Federal Information Security Modernization Act of 2014 (FISMA), OMB, and the National Institute of Standards and Technology (NIST).

FEDERAL RESERVE SYSTEM

[Docket No. OP-1788]

Guidelines for Evaluating Account and Services Requests

AGENCY: Board of Governors of the Federal Reserve System. **ACTION:** Notice.

SUMMARY: The Board of Governors of the Federal Reserve System (Board) is withdrawing proposed amendments to its Guidelines for Evaluating Account and Services Requests (Account Access Guidelines) that would have required the Federal Reserve Banks (Reserve Banks) to publish a periodic list of

depository institutions with access to Reserve Bank accounts and/or financial services. Because a new section 11C of the Federal Reserve Act (the Act) was recently enacted that requires disclosures substantially similar to those in the Board’s proposal, the Board believes finalizing the proposed amendments to its Account Access Guidelines is unnecessary.

DATES: The Board is withdrawing the proposal published November 16, 2022 (87 FR 68691) as of June 16, 2023.

¹ The reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered as a political committee up through the close of books for the first report due.

² Notice that this filing deadline falls on a weekend or federal holiday. Filing deadlines are not extended when they fall on nonworking days. Accordingly, reports filed on paper by methods other than registered, certified or overnight mail must be received before the Commission’s close of business on the last business day before the deadline.

FOR FURTHER INFORMATION CONTACT: Jason Hinkle, Assistant Director (202-912-7805), Division of Reserve Bank Operations and Payment Systems; or Corinne Milliken Van Ness, Senior Counsel (202-452-2421) or Gavin Smith, Senior Counsel (202-452-3474); for users of TTY-TRS, please call 711 from any telephone, anywhere in the United States; Board of Governors of the Federal Reserve System, 20th and C Streets NW, Washington, DC 20551.
