## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-97768; File No. SR-MIAX-2023-23]

### Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Increase Fees for the ToM Market Data Product and Establish Fees for the cToM Market Data Product

June 20, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on June 7, 2023, Miami International Securities Exchange, LLC (“MIAX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX Fee Schedule (“Fee Schedule”) to amend the fees for two market data products by (i) amending the fees for MIAX Top of Market (“ToM”); and (ii) establishing fees for MIAX Complex Top of Market (“cToM”).

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings>, at MIAX’s principal office, and at the Commission’s Public Reference Room.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend its fees for two market data products by (i) amending the fees for ToM; and (ii) establishing fees for cToM. The proposed fees will be immediately effective. The Exchange initially filed the proposal on December 28, 2022 (SR-MIAX-2022-49) (the “Initial Proposal”).<sup>3</sup> On February 23, 2023, the Exchange withdrew the Initial Proposal and replaced it with a revised proposal (SR-MIAX-2023-07) (the “Second Proposal”).<sup>4</sup> On April 11, 2023, the Exchange withdrew the Second Proposal and replaced it with further revised proposal (SR-MIAX-2023-17) (the “Third Proposal”).<sup>5</sup> The Exchange recently withdrew the Third Proposal and replaced it with this current proposal (SR-MIAX-2023-23).<sup>6</sup>

<sup>3</sup> See Securities Exchange Act Release No. 96626 (January 10, 2023), 88 FR 2699 (January 17, 2023) (SR-MIAX-2022-49).

<sup>4</sup> See Securities Exchange Act Release No. 97080 (March 8, 2023), 88 FR 15803 (March 14, 2023) (SR-MIAX-2023-07).

<sup>5</sup> See Securities Exchange Act Release No. 97327 (April 19, 2023), 88 FR 25032 (April 25, 2023) (SR-MIAX-2023-17).

<sup>6</sup> The Exchange met with Commission Staff to discuss the Third Proposal during which the Commission Staff provided feedback and requested additional information, including, most recently, information about total costs related to certain third party vendors. Such vendor cost information is subject to confidentiality restrictions. The Exchange has provided this information to Commission Staff under separate cover with a request for confidentiality. While the Exchange will continue to be responsive to Commission Staff’s information requests, the Exchange believes that the Commission should, at this point, issue substantially more detailed guidance for exchanges to follow in the process of pursuing a cost-based approach to fee filings, and that, for the purposes of fair competition, detailed disclosures by exchanges, such as those that the Exchange is providing now, should be consistent across all exchanges, including for those that have resisted a cost-based approach to fee filings, in the interests of fair and even disclosure and fair competition.

The Exchange previously filed several proposals to adopt fees for cToM.<sup>7</sup> The Exchange notes that these prior proposals included an analysis of the costs underlying the compilation and dissemination of the proposed cToM fees. The Exchange previously included a cost analysis in the Initial, Second and Third Proposals. As described more fully below, the Exchange provides an updated cost analysis that includes, among other things, additional descriptions of how the Exchange allocated costs among it and its affiliated exchanges (MIAX PEARL, LLC (“MIAX Pearl”), separately among MIAX Pearl Options and MIAX Pearl Equities, and MIAX Emerald, LLC (“MIAX Emerald,” together with MIAX Pearl, the “affiliated markets”)) to ensure no cost was allocated more than once, as well as additional detail supporting its cost allocation processes and explanations as to why a cost allocation in this proposal may differ from the same cost allocation in a similar proposal submitted by one of its affiliated markets. Although the baseline cost analysis used to justify the proposed fees was made in the Initial, Second and Third Proposals, the fees themselves have not changed since the Initial Proposal and the Exchange still proposes fees that are intended to cover the Exchange’s cost of providing ToM and cToM, with a reasonable mark-up over those costs. The proposed fees are intended to cover the Exchange’s cost of compiling and disseminating ToM and cToM with a reasonable mark-up over those costs, accounting for ongoing increases in expenses.<sup>8</sup> Before setting forth the additional details regarding the proposal as well as the updated Cost Analysis conducted by the Exchange, immediately below is a description of the proposed fees.

<sup>7</sup> See Securities Exchange Act Release Nos. 92359 (July 9, 2021), 86 FR 37393 (July 15, 2021) (SR-MIAX-2021-28); SR-MIAX-2021-44 (withdrawn without being noticed by the Commission); 93426 (October 26, 2021), 86 FR 60314 (November 1, 2021) (SR-MIAX-2021-50); 93808 (December 17, 2021), 86 FR 73011 (December 23, 2021) (SR-MIAX-2021-62); 94262 (February 15, 2022), 87 FR 9733 (February 22, 2022) (SR-MIAX-2022-10); 94716 (April 14, 2022), 87 FR 23616 (April 20, 2022); 94893 (May 11, 2022), 87 FR 29914 (May 17, 2022) (SR-MIAX-2022-19).

<sup>8</sup> For example, the New York Stock Exchange, Inc.’s (“NYSE”) Secure Financial Transaction Infrastructure (“SFTI”) network, which contributes to the Exchange’s connectivity cost, increased its fees by approximately 9% since 2021. Similarly, since 2021, the Exchange, and its affiliates, experienced an increase in data center costs of approximately 17% and an increase in hardware and software costs of approximately 19%. These percentages are based on the Exchange’s actual 2021 and proposed 2023 budgets.
