

■ **Par. 2.** Section 1.6050I-1 is amended by adding a sentence to the end of paragraphs (a)(3)(ii) and (c)(1)(iv) to read as follows:

§ 1.6050I-1 Returns relating to cash in excess of \$10,000 received in a trade or business.

(a) * * *

(3) * * *

(ii) * * * An agent will be deemed to have met the disclosure requirements of this paragraph (a)(3)(ii) if the agent discloses only the name of the principal and the agent knows that the recipient has the principal's address and taxpayer identification number.

* * * * *

(c) * * *

(1) * * *

(iv) * * * The recipient may rely on a copy of the loan document, a written statement from the bank, or similar documentation (such as a written lien instruction from the issuer of the instrument) to substantiate that the instrument constitutes loan proceeds.

* * * * *

Oluwafunmilayo A. Taylor,

Branch Chief, Legal Processing Division, Associate Chief Counsel (Procedure and Administration).

BILLING CODE 4830-01-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2023-0509]

RIN 1625-AA00

Safety Zone; City of Toledo Fireworks; Maumee River; Toledo, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters on the Maumee River in Toledo, OH. The safety zone is needed to protect marine traffic and spectators from hazards associated with the City of Toledo Fireworks. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Detroit, or his designated representative. This temporary safety zone is necessary to protect marine traffic and spectators from hazards associated with fireworks.

DATES: This rule is effective from 9 through 11:30 p.m. on July 1, 2023.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2023-0509 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email MST1 Karl Dirksmeyer, Marine Safety Unit Toledo, Coast Guard; telephone (419) 392-0324, email D09-SMB-MSUToledo-WWM@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the event sponsor notified the Coast Guard with insufficient time to accommodate the comment period. Thus, delaying the effective date of this rule to wait for the comment period to run would be impracticable and contrary to the public interest because it would prevent the Captain of the Port Detroit from keeping marine traffic and spectators safe from hazards associated with the City of Toledo Fireworks.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to ensure the safety of marine traffic and spectators from hazards associated with the City of Toledo Fireworks.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Detroit (COTP) has

determined that potential hazards associated with the City of Toledo Fireworks on July 1, 2023, will be a safety concern within a 500 foot radius of the launch site along the Maumee River from 9 to 11:30 p.m. This rule is needed to protect marine traffic and spectators in the navigable waters within the safety zone while the event is taking place.

IV. Discussion of the Rule

This rule establishes a safety zone that will be enforced from 9 through 11:30 p.m. on July 1, 2023. The safety zone will encompass all U.S. navigable waters of the Maumee River within a 500 foot radius of the launch site at 41°38'44" N, 083°31'51" W. The duration of the zone is intended to protect marine traffic and spectators in the navigable waters while the City of Toledo Fireworks are taking place. Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port, Sector Detroit or his designated representative. The Captain of the Port, Sector Detroit or his designated representative may be contacted via VHF Channel 16.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration and time-of-day of the safety zone. This safety zone would impact a small designated area of the Maumee River for a short duration, during the evening when vessel traffic is normally low. Vessel traffic will be able to transit after the time of the event. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of

power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting three and one half hours that will prohibit entry within a 500 foot radius of the launch site along the Maumee River, Toledo, OH. It is categorically excluded from further review under paragraph L[60] of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to

coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and record keeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.3.

■ 2. Add § 165.T09–0509 to read as follows:

§ 165.T09–0509 Safety Zone; City Of Toledo Fireworks; Maumee River; Toledo, OH.

(a) *Location.* The following area is a temporary safety zone: All U.S. navigable waters of the Maumee River within a within a 500-foot radius of the launch site along the Maumee River, Toledo, OH located at position 41°38’44” N, 083°31’51” W. All geographic coordinates are North American Datum of 1983 (NAD 83).

(b) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Detroit, or his designated representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit or his designated representative.

(3) The “designated representative” of the Captain of the Port Detroit is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port Detroit to act on his behalf. The designated representative of the Captain of the Port Detroit will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port Detroit or his designated representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Detroit or his designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the

Captain of the Port Detroit or his designated representative.

(c) *Enforcement Period.* This regulation will be enforced from 9 through 11:30 p.m. on July 1, 2023. The Captain of the Port Detroit, or a designated representative may suspend enforcement of the safety zone at any time.

Dated: June 20, 2023.

Brad W. Kelly,

Captain, U.S. Coast Guard, Captain of the Port Detroit.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2023–0491]

RIN 1625–AA87

Security Zones; Corpus Christi Ship Channel, Corpus Christi, TX

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing two temporary, 500-yard radius, moving security zones around the Motor Vessel (M/V) ARC DEFENDER and M/V OCEAN JAZZ. These zones are needed to protect the vessels, which will be carrying military cargo onboard, while they are transiting the Corpus Christi Ship Channel, in Corpus Christi, TX. Entry of vessels or persons into the zones are prohibited unless specifically authorized by the Captain of the Port Sector Corpus Christi (COTP) or a designated representative.

DATES: This rule is effective without actual notice from June 27, 2023, through July 19, 2023. For the purposes of enforcement, actual notice will be used from June 21, 2023 through July 19, 2023.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant Commander Anthony Garofalo, Sector Corpus Christi Waterways Management Division, U.S. Coast Guard; telephone 361–939–5130, email Anthony.M.Garofalo@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations

COTP Captain of the Port Sector Corpus Christi

DHS Department of Homeland Security

FR Federal Register

NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this security zone by June 21, 2023 to ensure security of the vessel and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to provide for the security of the vessel and cargo.

III. Legal Authority and Need for Rule

The Coast Guard may issue security zone regulations under authority in 46 U.S.C. 70051 and 70124. The Captain of the Port Sector Corpus Christi (COTP) has determined that potential hazards associated with the transit of the M/V ARC DEFENDER and M/V OCEAN JAZZ when loaded with military cargo will be a security concern within a 500-yard radius of the vessel. This rule is needed to provide for the safety and security of the vessels, their cargo, and surrounding waterway from terrorist acts, sabotage or other subversive acts, accidents, or other events of a similar nature from June 21, 2023 through July 19, 2023.

IV. Discussion of the Rule

The Coast Guard is establishing two 500-yard radius temporary security zones around M/V ARC DEFENDER and M/V OCEAN JAZZ. The vessel names will be clearly marked on the port, starboard, and stern. The zone for the vessel will be enforced from the time the vessel transits the Corpus Christi Ship Channel between June 21, 2023 and July 19, 2023. The duration of the zone is intended to protect the vessel and military cargo on board while the

vessel is in transit. No vessel or person will be permitted to enter the security zone without obtaining permission from the COTP or a designated representative.

Entry into these security zones is prohibited unless authorized by the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of USCG Sector Corpus Christi. Persons or vessels desiring to enter or pass through each zone must request permission from the COTP or a designated representative on VHF–FM channel 16 or by telephone at 361–939–0450. If permission is granted, all persons and vessels shall comply with the instructions of the COTP or designated representative. The COTP or a designated representative will inform the public through Broadcast Notices to Mariners (BNMs), Local Notices to Mariners (LNMs), and/or Marine Safety Information Bulletins (MSIBs) as appropriate for the enforcement times and dates for each security zone.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, duration, and location of the security zone. This rule will impact a small designated area of the Corpus Christi Ship Channel during the vessel’s transits while loaded with cargo over a thirty-day period. Moreover, the Coast Guard will issue BNMs via VHF–FM marine channel 16 about the zones as appropriate and the rule allows vessels to seek permission to enter the zones.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider
