

number, or wholesaler number; and item description, as applicable); or

- If not associated with maintenance, the Product Service Code (PSC) of the service being provided; and an explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(1) of the provision at 52.204–24.

- Represent whether it “does” or “does not” use covered telecommunications equipment or services, or use any equipment, system, or service that uses covered telecommunications equipment or services.

- If the offeror has responded “does” in the representation in paragraph (d)(2) of this provision, the offeror must provide the following additional disclosure information found at 52.204–24(e)(2):

- For covered equipment—
 - The entity that produced the covered telecommunications equipment (including entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known);

- A description of all covered telecommunications equipment offered (including brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); and
 - An explanation of the proposed use of covered telecommunications equipment and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of the provision at 52.204–24.

- For covered services—
 - If the service is related to item maintenance: A description of all covered telecommunications services offered (include on the item being maintained: Brand; model number, such as OEM number, manufacturer part number, or wholesaler number; and item description, as applicable); or

- If not associated with maintenance, the PSC of the service being provided; and an explanation of the proposed use of covered telecommunications services and any factors relevant to determining if such use would be permissible under the prohibition in paragraph (b)(2) of the provision at 52.204–24.

- FAR 52.204–25, *Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment*. In the event a contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or

as critical technology as part of any system, during contract performance, or a contractor is notified of such by a subcontractor at any tier or by any other source, this clause requires contractors to:

- Report the information in paragraph 52.204–25(d)(2) to the contracting officer, unless the contract has established other procedures for reporting the information; in the case of DoD, the contractor shall report to the website at <https://dibnet.dod.mil>.

- For indefinite delivery contracts, the contractor shall report to the contracting officer for the indefinite delivery contract and the contracting officer(s) for any affected order or, in the case of DoD, identify both the indefinite delivery contract and any affected orders in the report provided at <https://dibnet.dod.mil>.

- Report the following within one business day from the date of such identification or notification:

- The contract number;
 - The order number(s), if applicable;
 - Supplier name;
 - Supplier unique entity identifier (if known);
 - Supplier CAGE code (if known);
 - Brand;
 - Model number (original equipment manufacturer number, manufacturer part number, or wholesaler number);
 - Item description;
 - And any readily available information about mitigation actions undertaken or recommended.

- Report the following within 10 business days of submitting the information in paragraph(d)(2)(i) of this clause:

- Any further available information about mitigation actions undertaken or recommended.
 - Describe efforts undertaken to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

The information collected is used by contracting officers to identify if an offeror *provides* or *uses* any covered telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument. In the event that offerors are required to disclose further information, the contracting officer uses the collected information to ensure compliance with the FAR as implemented by statute and consult with legal counsel and the program office on next steps regarding the prohibited equipment or services.

BILLING CODE 6820–EP–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for Office of Management and Budget (OMB) Review; Revisions to Recordkeeping To Mitigate the Spread of COVID–19 in Head Start (OMB #: 0970–0583)

AGENCY: Office of Head Start; Administration for Children and Families; Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Head Start (OHS), Administration for Children and Families (ACF), U.S. Department of Health and Human Services, requests public comment on an extension with changes to recordkeeping requirements for ACF Head Start grant recipients. A Final Rule published on January 6, 2023, added a recordkeeping requirement that Head Start grant recipients update their program policies and procedures to include an evidence-based COVID–19 mitigation policy. OHS requested and received emergency approval from OMB to implement the updated recordkeeping requirement as required in the Final Rule. Approval was for 6 months. Subsequently, a final rule was published on June 26, 2023, which removed all previously approved vaccination recordkeeping requirements and the requirement to maintain a testing protocol. This request is to remove these requirements from the information collection and extend approval of the remaining recordkeeping requirement under this OMB number for an additional 3 years.

DATES: *Comments due within 30 days of publication.* OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this

notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The final rule on January 6, 2023, added a requirement that Head

Start grant recipients update their program policies and procedures to include an evidence-based COVID-19 mitigation policy developed in consultation with their Health Services Advisory Committee. This is the only remaining recordkeeping requirement in this information collection. Vaccination and testing protocol recordkeeping requirements and associated burdens have been removed.

Respondents: Recipients of Head Start funding.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Proposed Information Collection Activity; Multistate Financial Institution Data Match With Federally Assisted State Transmitted Levy

AGENCY: Office of Child Support Services, Administration for Children and Families, Department of Health and Human Services.

ACTION: Notice of an information collection; request for public comments.

SUMMARY: The Office of Child Support Services (OCSS), Administration for Children and Families (ACF), is requesting the federal Office of Management and Budget (OMB) to extend approval of the Multistate Financial Institution (MSFIDM) Data Match with Federally Assisted State Transmitted (FAST) Levy, without changes, for an additional three years. The current OMB approval (OMB No.: 0970-0169) expires January 31, 2024.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. All requests should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: State child support agencies are statutorily required to enter into data matching agreements with financial institutions doing business in their state to locate obligors’ accounts. OCSS operates the MSFIDM program through the Federal Parent Locator Service (FPLS) and facilitates the required data match between state child support agencies and multistate financial institutions (MSFIs). State child support agencies use the data match outcomes to fulfill a statutory requirement to seize an obligor’s assets to satisfy past-due child support.

OCSS also operates FAST Levy, which is an automated application within the FPLS to exchange electronic lien/levy information securely and efficiently. State child support agencies and financial institutions use FAST Levy to exchange information to freeze and seize financial assets more quickly and efficiently.

Respondents: MSFIs and State Child Support Agencies
