Abstract: The Controlled Substances Act (CSA) (21 U.S.C. 801–971) establishes a closed system of distribution for controlled substances. To this end, controlled substances are closely monitored and tightly regulated as they are distributed through the supply chain. One tool that helps to maintain the closed system of distribution is the CSA provision that states it “shall be unlawful for any person to distribute a controlled substance in schedules I or II to another except in pursuance of a written order of the person to whom such substance is distributed, made on a form to be issued by the Attorney General in blank in accordance with subsection (d) of this section.” 21 U.S.C. 828(a).

DEPARTMENT OF LABOR

Employment and Training Administration

Request for Membership Nominations for the Advisory Committee on Apprenticeship (ACA)

AGENCY: Employment and Training Administration (ETA), Labor.

ACTION: Notice.

SUMMARY: The Acting Secretary of Labor (Secretary) has determined that the renewal of the Advisory Committee on Apprenticeship (hereinafter ACA or Committee) was necessary and in the public interest. The Department of Labor re-established the ACA Charter in 2021, and recently renewed its Charter, with revisions, on May 11, 2023. The Acting Secretary of Labor is now requesting nominations of qualified candidates to be considered for appointment to the ACA for the 2023-2025 membership term.

DATES: All ACA membership nominations must be received by

midnight no later than thirty (30) days from the date of this publication.

FOR FURTHER INFORMATION CONTACT: For any questions concerning the ACA nomination process, please contact Ms. Kenya Huckaby, Executive Assistant, Office of Apprenticeship, Employment and Training Administration, at Huckaby.Kenya@dol.gov, with a carbon copy to the ACA email box at advisorycommitteeonapprenticeship@dol.gov, telephone (202) 693-3795 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: Registered Apprenticeship is a unique public private partnership that is highly dependent on the engagement and involvement of its stakeholders and partners for its ongoing operational effectiveness. Apart from the ACA, there is no single organization or group with the broad representation of employers, labor unions, and public entities available to consider the complexities and relationship of apprenticeship activities to other training efforts or to provide advice on such matters to the Secretary. It is particularly important to have such perspectives as DOL considers the expansion of registered apprenticeship and how best to fundamentally instill a permanent culture of inclusion in our workforce. The ACA's insights and recommendations on the best ways to address critical apprenticeship issues to meet the emerging needs of industry, labor organizations, and the public are critical. To learn additional information about the ACA please visit the ACA's landing page at: <https://www.apprenticeship.gov/advisory-committee-apprenticeship>.

Membership Composition: The ACA membership will consist of a range of 27-30 voting members with balanced representation of employers or industry associations, labor or joint labor-management organizations, and public entities and/or institutions. The ACA is solely advisory in nature, and will consider testimony, reports, comments, research, evidence, and existing practices as appropriate to develop recommendations for inclusion in its final recommendations to the Secretary. Members of the ACA serve without compensation, but will be allowed travel expenses, including per diem.

The final membership will come from a cross-section of individuals directly affected, interested, and qualified as appropriate to the nature and functions of the ACA. Each ACA member will serve at the pleasure of the Secretary for a specified term. The Secretary may also appoint members to fill any ACA vacancies for the unexpired portions of
