CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Privacy Act of 1974; Matching Program

AGENCY: Corporation for National and Community Service.

ACTION: Notice of a new matching program.

SUMMARY: In accordance with the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988, OMB Final Guidance Interpreting the Provisions of the Computer Matching and Privacy Protection Act of 1988, and OMB Circular No. A-130, "Management of Federal Information Resources," the Corporation for National and

Community Service (operating as AmeriCorps) is issuing a public notice of the computer matching program with the Social Security Administration (SSA).

DATES: Comments must be received by July 31, 2023. If AmeriCorps determines that significant changes to the matching agreement are necessary, it shall publish a revised notice with an additional 30-day public comment period.

AmeriCorps has filed a report of the subject computer matching agreement with the Office of Management and Budget (OMB) and Congress. The matching program will begin October 1, 2023 or 40 days after the date of AmeriCorps' submissions to OMB and Congress, whichever is later, and will continue for 18 months after the effective date. It may be extended for an additional 12 months thereafter, if the conditions specified in 5 U.S.C. 552a(o)(2)(D) have been met.

SUPPLEMENTARY INFORMATION: The Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub.

L. 100-503), regulates the use of computer matching agreements by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. Among other things, it requires Federal agencies involved in computer matching agreements to publish a notice in the **Federal Register** regarding the establishment of the matching program.

This agreement will be in effect for a period of 18 months, with a provision for a one-time extension for a period not to exceed 12 months. To renew this agreement, both AmeriCorps and SSA must certify to their respective Data Integrity Boards that: (1) the matching program will be conducted without change; and (2) the matching program has been conducted in compliance with the original agreement.

AmeriCorps will provide SSA with a data file including each applicant's and potential education award recipient's social security number, first and last names, and date of birth. SSA will conduct a match on the identifying information. If the match does not return a result verifying the individual's citizenship status, AmeriCorps will contact the individual or the grant recipient program that selected the individual to verify the results in accordance with the requirements of 5 U.S.C. 552a(p) and applicable OMB guidelines. The affected individual will have an opportunity to contest the accuracy of the information provided by SSA. The applicant will have at least 30 days from the date of the notice to provide clear and convincing evidence of the accuracy of the social security number, proof of U.S. citizenship, or both.

Applicants will be informed at the time of application that information provided on the application is subject to verification through a computer matching program. The application package will contain a privacy certification notice that the applicant must sign, authorizing AmeriCorps to verify the information provided.

For transferees of education awards, at the time an award is transferred, AmeriCorps will provide the individual notice that the SSN is subject to verification through a computer matching program. AmeriCorps will send a privacy notice to the transferee, and in the case of a minor, to the parent or legal guardian. The transferee, parent, or legal guardian must sign the privacy certification authorizing AmeriCorps to verify the information provided.

AmeriCorps will furnish a copy of this notice to both Houses of Congress and the Office of Management and Budget.
