Brass Rod From India, Israel, and the Republic of Korea: Postponement of Preliminary Determinations in the Countervailing Duty Investigations

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable June 30, 2023.

FOR FURTHER INFORMATION CONTACT: Dusten Hom (India), Zachary Shaykin (Israel), and Jacob Saude (the Republic of Korea), AD/CVD Operations, Offices I, IV, and VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–5075, (202) 482–2638, or (202) 482–0981, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 17, 2023, the U.S. Department of Commerce (Commerce) initiated countervailing duty (CVD) investigations of imports of brass rod from India, Israel, and the Republic of Korea (Korea).¹ Currently, the preliminary determinations are due no later than July 21, 2023.

Postponement of Preliminary Determinations

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act) requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 22, 2023, the petitioners submitted a timely request that Commerce postpone the preliminary determinations in these investigations.² The petitioners stated that additional time is needed to collect the necessary information for the preliminary determinations.³

In accordance with 19 CFR 351.205(e), the petitioners have stated the reasons for requesting a postponement of the preliminary determinations, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determinations to no later than 130 days after the date on which these investigations were initiated, *i.e.*,

September 25, 2023.⁴ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Low Melt Polyester Staple Fiber From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2021–2022

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that the sole producer/exporter subject to this administrative review made sales of subject merchandise at less than normal value (NV) during the period of review (POR) August 1, 2021, through July 31, 2022. Interested parties are invited to comment on these preliminary results.

DATES: Applicable June 30, 2023.

FOR FURTHER INFORMATION CONTACT: Alice Maldonado or Andrew Hart, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4682 or (202) 482–1058, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 11, 2022, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on low melt polyester staple fiber (low melt

⁴ The deadline for the preliminary determinations falls on Sunday, September 24, 2023. Commerce's practice dictates that where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day (in this instance, Monday, September 25, 2023). See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

PSF) from the Republic of Korea (Korea).¹ The review covers one producer/exporter of the subject merchandise, Toray Advanced Materials Korea, Inc. (TAK).

On April 26, 2023, Commerce extended the deadline for the preliminary results of this administrative review until June 30, 2023.² For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.³

Scope of the Order⁴

The merchandise subject to the *Order* is synthetic staple fibers, not carded or combed, specifically bi-component polyester fibers having a polyester fiber component that melts at a lower temperature than the other polyester fiber component (low melt PSF). For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Preliminary Results of Review

As a result of this review, we preliminarily determine that the following weighted-average dumping margin exists for TAK for the period August 1, 2021, through July 31, 2022:

Exporter/producer	Weighted-average dumping margin (percent)
Toray Advanced Materials Korea, Inc	3.61

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁵ Case briefs or other written comments may be submitted to Commerce no later than 30 days after the date of publication of this notice.⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.⁷ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ Case and rebuttal briefs should be filed using ACCESS.⁹ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹¹ Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined.¹² Parties should

confirm by telephone the date and time of the hearing two days before the scheduled date. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹³

Assessment Rates

Upon completion of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.¹⁴ Pursuant to 19 CFR 351.212(b)(1), if TAK's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales.¹⁵ Where TAK did not report entered value, we will calculate the entered value in order to calculate the assessment rate. If TAK's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate entries without regard to antidumping duties.¹⁶ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁷

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by TAK for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at the all-others rate established in the original less-than-fair-value (LTFV) investigation (*i.e.*, 16.27 percent) if there is no rate for the intermediate

company(ies) involved in the transaction.¹⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 16.27 percent, the all-others rate established in the LTFV investigation.¹⁹ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in

Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: June 26, 2023.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Draft Plan for Providing Public Access to the Results of Federally Funded Research

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice; request for public comment.

SUMMARY: The National Institute of Standards and Technology seeks comments on the *Draft NIST Plan for Providing Public Access to the Results of Federally Funded Research*. NIST is taking steps to make its scientific data and publications more readily available and accessible by the public, as directed in an August 2022 memorandum from the Office of Science and Technology Policy. The NIST Public Access Plan applies to the results of research funded wholly or in part by NIST, presented in peer-reviewed scholarly publications and as research data. This document outlines NIST's plan for implementing new requirements to manage the public access of scientific data and publications. Public comments received on the NIST Public Access Plan will inform NIST as it revises its existing directives to implement the updated Plan.

DATES: Responses must be received by 11:59 p.m. Eastern Time on August 14, 2023 to be considered.

ADDRESSES: Comments may be submitted by either of the following methods:

- *Electronic submission:* Submit electronic public comments via the Federal eRulemaking Portal.

1. Go to www.regulations.gov and enter NIST-2023-0002 in the search field.

2. Click the "Comment Now!" icon, complete the required fields.

3. Enter or attach your comments.
