

Participating Agencies: Participants in this computer matching program are the Social Security Administration (source agency) and the Corporation for National and Community Service (recipient agency).

Authority for Conducting the Matching Program: This agreement is executed in compliance with the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988 (5 U.S.C. 552a), and the regulations and guidance promulgated under the Act.

SSA's legal authority to enter into this agreement is section 1106 of the Social Security Act (42 U.S.C. 1306) and the regulations promulgated pursuant to that section (20 CFR part 401). The authority for SSA's disclosure of record information is 5 U.S.C. 552a(b)(3).

Section 146(a)(3) of the National and Community Service Act of 1990 (NCSA; 42 U.S.C. 12602(a)) sets forth the eligibility requirements for an individual to receive an Education Award from the National Service Trust upon successful completion of a term of service in an approved national service position. Section 1711 of the Serve America Act (Pub. L. 111-13) directs AmeriCorps to enter into a data matching agreement to verify statements made by an individual declaring that such individual is in compliance with section 146(a)(3) of the NCSA by comparing information provided by the individual with information relevant to such a declaration in the possession of another Federal agency. In accordance with the study AmeriCorps completed pursuant to section 1711 of the Serve America Act, AmeriCorps determined that a data matching program with SSA is the most effective means to verify an individual's statement that they are in compliance with section 146(a)(3) of the NCSA.

Purpose(s): The computer match between AmeriCorps and SSA will enable AmeriCorps to verify the social security numbers of individuals applying to serve in approved national service positions and those designated to receive national service education awards under the NCSA and verify statements made by those individuals regarding their citizenship status.

Categories of Individuals: Each individual who is eligible to receive an education award or applies to serve in an approved national service position, including positions in AmeriCorps State and National, AmeriCorps VISTA, AmeriCorps NCCC, and Serve America Fellows, must, at the time of acceptance of an education award or application to serve, certify that they meet the citizenship eligibility criteria to serve in

the position that is, that they are a citizen, national, or lawful permanent resident of the United States.

Categories of Records: The Master Files of Social Security Number Holders and SSN Applications SSA/OTSO 60-0058, last published in full on December 29, 2010 (75 FR 82121), as amended on July 5, 2013 (78 FR 40542) and February 13, 2014 (79 FR 8780) maintains records about each individual who has applied for and obtained an SSN. SSA uses information from this system to assign SSNs.

System(s) of Records: The information AmeriCorps provides from the AmeriCorps Member Individual Account, Corporation-8 system of records, published in full on March 5, 1999 (64 FR 10879-10893), as amended on August 1, 2000, (65 FR 46890-46905) and July 25, 2002 (67 FR 48616-48617) will be matched against this system of records and verification results will be disclosed under the applicable routine use.

SUPPLEMENTARY INFORMATION:

I. Background

Pursuant to the provisions of the Privacy Act of 1974, 5 U.S.C. 552a, and as part of its ongoing integration and management efforts, the DoD is removing 26 Privacy Act SORNs from its inventory. Upon review of its inventory, DoD determined it no longer needs or uses these system of records because the records are covered by other SORNs; therefore, DoD is retiring these SORNs (items (a) through (z) in the table) for reasons listed as follows.

Items (a) through (r) in the table are rescinded because the records are now maintained as part of the DoD-wide system of records titled DoD-0008, Freedom of Information Act and Privacy Act Records (FOIA/PA Records), published in the **Federal Register** on December 22, 2021 (86 FR 72586).

Items (s) through (w) in the table are rescinded because the records are now maintained as a part of the DoD-wide system of records titled DoD 0006, Military Justice and Civilian Criminal Case Records, published in the **Federal Register** on May 25, 2021 (86 FR 28086).

Items (x) through (z) in the table are rescinded because the records are now maintained as a part of the DoD-wide system of records titled DoD-0009, Defense Mass Transportation Benefits Records (DMTBR), published in the **Federal Register** on January 7, 2022 (87 FR 943).

DoD SORNs have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Privacy, Civil Liberties, and Freedom of Information Directorate website at <https://dpcl.d.defense.gov>.
