**FOR FURTHER INFORMATION CONTACT:** Jeffrey S. Pollack, Human Resources Line of Business (HRLOB) Program Manager, at 202-936-0068, or by email at [jeffrey.pollack@opm.gov](mailto:jeffrey.pollack@opm.gov).

**SUPPLEMENTARY INFORMATION:** On April 26, 2019, the Office of Management and Budget published OMB memorandum 19-16, Centralized Mission Support Capabilities for the Federal Government (available at <https://www.whitehouse.gov/wp-content/uploads/2019/04/M-19-16.pdf>). Mission support business standards, established and agreed to by agencies, using the Federal Integrated Business Framework (FIBF) website at <https://ussm.gsa.gov/fibf/>, enable the Federal Government to better coordinate on the decision-making needed to determine what can be adopted and commonly shared. These business standards are an essential first step towards agreement on outcomes, data, and cross-functional end to end processes that will drive economies of scale and leverage the

government's buying power. The business standards will be used as the foundation for common mission support services shared by Federal agencies.

OPM serves as the Human Capital Management (HCM) business standards lead on the Business Standards Council (BSC). The goal of the HCM business standards is to standardize Human Capital Management across the Federal government. The HCM business capabilities, service metrics, and standard data elements document the key activities, inputs, outputs, data elements, and other functional area intersections. OPM is seeking public feedback on these draft business standards, including comments on understandability of the standards, suggested changes, and usefulness of the draft standards to industry and agencies.

Guiding questions in standard development include:

- Do the draft business standards appropriately document the business processes covered?
- Are the draft business standards easy to understand?
- Will your organization be able to show how your solutions and/or services can meet these draft business standards?
- What would you change about the draft business standards? Is there anything missing?

Comments will be used in formulation of the final business standards.

U.S. Office of Personnel Management.
