SUPPLEMENTARY INFORMATION: Under the PRA,¹ Federal agencies must obtain approval from the Office of Management and Budget (“OMB”) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA² requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.³

Title: Swap Dealer and Major Swap Participant Conflicts of Interest and Business Conduct Standards with Counterparties (OMB Control No. 3038–0079). This is a request for an extension of a currently approved information collection.

Abstract: Section 731 of Title VII of the Dodd-Frank Wall Street Reform and Consumer Protection Act⁴ amended the Commodity Exchange Act (“CEA”) to add sections 4s(h) and 4s(j)(5)⁵, which provide the Commission with both mandatory and discretionary rulemaking authority to impose business conduct requirements on SDs and MSPs in their dealings with counterparties, including “Special Entities,”⁶ and require that each SD and MSP implement conflicts of interest systems and procedures. Congress granted the Commission broad discretionary authority to promulgate business conduct requirements, as

SUPPLEMENTARY INFORMATION: Under the PRA, 44 U.S.C. 3501 *et seq.*, Federal agencies must obtain approval from the Office of Management and Budget (“OMB”) for each collection of information they conduct or sponsor. “Collection of Information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3 and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed information collection including each proposed extension of an existing information collection, before submitting the collection to OMB for approval. To comply with this requirement, the CFTC is publishing notice of a proposed revision of the currently approved information collection listed below. An agency may not conduct or sponsor, and a person is not required to respond to, an information collection unless it displays a currently valid OMB control number.

Title: Swap Data Recordkeeping and Reporting Requirements (OMB Control No. 3038–0096). This is a request for revision of a currently approved information collection.

Abstract: The collection of information is needed to ensure that the CFTC and other regulators have access to swap data as required by the Commodity Exchange Act, as amended by the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”). The Dodd-Frank Act directed the CFTC to adopt rules providing for the reporting of data relating to swaps. In 2012, the CFTC adopted Regulation 45, which imposes recordkeeping and reporting requirements relating to swaps. The Commission is revising its burden hours and hourly labor cost estimates following the Commission’s designation of a Unique Product Identifier (“UPI”) and product classification system for certain swap asset classes. The Commission is revising its burden estimates associated with the reporting obligations under part 45 of the Commission rules to account for new burden associated with the requirements of part 45.7.

¹¹ 17 CFR 145.9.

¹² Specifically, the change for the renewal is based solely on the decreased number of entities provisionally-registered with the Commission as SDs (109 at the last renewal in 2020 and 106, currently, as of June 7, 2023), as the annual total burden hours has remained the same—at 2,352.9 hours per respondent. And just as before, there are no entities currently registered as MSPs.
