SUPPLEMENTARY INFORMATION:

I. Background

On October 30, 2009, the agencies, along with the Federal Financial Institutions Examination Council (FFIEC) State Liaison Committee and the former Office of Thrift Supervision, adopted the Policy Statement on Prudent Commercial Real Estate Loan Workouts (2009 Statement).¹ The agencies view the 2009 Statement as being useful for the agencies' staff and financial institutions in understanding risk management and accounting practices for commercial real estate (CRE) loan workouts.

To incorporate recent policy and accounting changes, the agencies recently proposed updates and expanded the 2009 Statement and sought comment on the resulting proposed Policy Statement on Prudent Commercial Real Estate Loan Accommodations and Workouts (proposed Statement).² The agencies considered all comments received and are issuing this final Statement largely as proposed, with certain clarifying changes based on comments received. The final Statement is described in Section II of the Supplementary Information.

The agencies received 22 unique comments from banking organizations and credit unions, state and national trade associations, and individuals. A summary and discussion of comments and changes incorporated in the final Statement are described in Section III of the Supplementary Information.

The Paperwork Reduction Act is addressed in Section IV of the Supplementary Information. Section V of the Supplementary Information presents the final Statement which is available as of July 6, 2023. This final Statement supersedes the 2009 Statement for all supervised financial institutions.
