

including mapping standards and guidelines, performance metrics and milestones, map maintenance, interagency and intergovernmental coordination, map accuracy, and funding strategies. In addition, the TMAC submits an annual report to the FEMA Administrator that contains: (1) a description of the activities of the Council; (2) an evaluation of the status and performance of FIRMs and mapping activities to revise and update FIRMs; and (3) a summary of recommendations made by the Council to the FEMA Administrator.

Members of the TMAC will be appointed based on their demonstrated knowledge and competence in areas such as surveying, cartography, remote sensing, geospatial information systems, or the technical aspects of preparing and using FIRMs. In order for FEMA to maximize the impact of the Council and the guidance it provides, the Council must be diverse with regard to professional and technical expertise. FEMA is committed to pursuing opportunities, consistent with applicable law, to compose a committee that reflects the diversity of the nation's people.

FEMA is requesting qualified individuals who are interested in serving on the TMAC to apply for appointment. Applicants will be considered for appointment to three vacancies on the TMAC, the terms of which start in fall/winter 2023. One of these three vacancies, as described below, will be appointed to serve as a Special Government Employee (SGE) as defined in title 18 U.S.C. 202(a) to serve in their individual capacity, while the other two members of the TMAC will be appointed to serve as representative members. The candidate selected for appointment as a SGE will be subject to the Federal conflict of interest laws and standards of conduct regulations and required to file a New Entrant Confidential Disclosure Report (OGE 450). This form can be obtained by visiting the website of the Office of Government Ethics (<http://www.oge.gov>); please do not submit this form with your application. Qualified applicants will be considered for one or more of the following membership categories with vacancies:

(a) One member of a recognized regional flood and stormwater management organization;

(b) One member (SGE) of a recognized risk management association or organization;

(c) One representative of a recognized professional association or organization representing State geographic information;

Members of the TMAC serve terms of three years. There is no application form. However, applications must include the following information:

- Applicant's full name;
- Home and business phone numbers;
- Preferred email address;
- Home and business mailing addresses;
- Current position title and organization;
- Resume or curriculum vitae; and
- The membership category of interest (e.g., member of a recognized professional association or organization representing flood hazard determination firms).

The TMAC meets as often as needed to fulfill its mission, but not less than twice a year. Members may be reimbursed for travel and per diem incurred in the performance of their duties as members of the TMAC. All travel for TMAC business must be approved in advance by the Designated Federal Officer.

The Department of Homeland Security (DHS) does not discriminate in employment on the basis of race, color, religion, sex, national origin, political affiliation, sexual orientation, gender identity, marital status, disability and genetic information, age, membership in an employee organization, or other non-merit factor. DHS strives to achieve a widely diverse candidate pool for all its recruitment actions. Current DHS and FEMA employees will not be considered for membership. Federally registered lobbyists will not be considered.

Nicholas A. Shufro,

Deputy Assistant Administrator for Risk Management, Federal Insurance and Mitigation Administration, Resilience, Federal Emergency Management Agency.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-6086-N-06]

National Standards for the Physical Inspection of Real Estate and Associated Protocols, Scoring Notice

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, Office of the Assistant Secretary for Public and Indian Housing, U.S. Department of Housing and Urban Development (HUD).

ACTION: Final notice.

SUMMARY: This notice serves as a complementary document to the Economic Growth Regulatory Relief and Consumer Protection Act: Implementation of National Standards for the Physical Inspection of Real Estate (NSPIRE) rule published May 11, 2023. The NSPIRE rule provides that HUD will publish in the **Federal Register** the NSPIRE inspection standards and scoring methodology to assess the overall condition, health, and safety of properties and units assisted or insured by HUD. The NSPIRE Standards were published for public comment on June 17, 2022 and posted as final on June 22, 2023. On March 28, 2023, HUD published a proposed scoring methodology for public comment. HUD establishes with this notice the NSPIRE physical inspection scoring and ranking methodology to implement HUD's NSPIRE rule for Public Housing and Multifamily Housing programs, including Section 8 Project-Based Rental Assistance (PBRA) and other Multifamily assisted housing, Section 202/811 programs, and HUD-insured Multifamily as described in the NSPIRE rule. The scoring methodology converts observed defects into a numerical score and sets a threshold for HUD to perform additional administrative oversight by establishing a level for when a property fails an inspection (less than 60 points) and when an enforcement referral is

automatic or required (less than or equal to 30 points).

DATES: July 1, 2023.

FOR FURTHER INFORMATION CONTACT: Tara J. Radosevich, Real Estate Assessment Center, Office of Public and Indian Housing, Department of Housing and Urban Development, 550 12th Street SW, Suite 100, Washington, DC 20410-4000, telephone number 612-370-3009 (this is not a toll-free number), email NSPIRERegulations@hud.gov. HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. SUPPLEMENTARY INFORMATION:

I. Background

A. UPCS Standards and Scoring

Prior to the implementation of NSPIRE, HUD used two assessment methodologies to ascertain the quality and health and safety of HUD-assisted and insured properties and units: (1) Pass/Fail, used for the Housing Quality Standards (HQS) for the Housing Choice Voucher (HCV) and Project-based Voucher (PBV) programs; and (2) a zero to 100-point (0-100) scale used for properties inspected under the Uniform Physical Condition Standards (UPCS) for public housing and properties managed by HUD's Office of Multifamily Housing Programs.¹

B. NSPIRE Final Rule and Implementation Timeline

On May 11, 2023, HUD published the NSPIRE Rule² to implement one of NSPIRE's core objectives—the formal alignment of expectations of housing quality and consolidation of inspection standards across HUD programs. The final rule is effective July 1, 2023, for public housing and Multifamily Housing programs. HUD's Real Estate Assessment Center (REAC) intends to commence scored inspections using the NSPIRE standards for public housing and Multifamily NSPIRE Demonstration participants that did not opt for a Uniform Physical Condition Standard inspection after this date pursuant to the Notice of Modifications to the Demonstration to Assess the National Standards for the Physical Inspection of Real Estate and Associated Protocols
