SUPPLEMENTARY INFORMATION:

Background

On July 20, 2020, Commerce published the countervailing duty (CVD) order on collated staples from China.¹ On August 1, 2022, we received a timely request for an administrative review from Kyocera Senco Industrial Tools, Inc. (the petitioner), Tianjin Hweschun Fasteners Manufacturing Co., Ltd. (Tianjin Hweschun), and Tianjin Jinvifeng Hardware Co., Ltd. (Tianjin Jinyifeng).2 On September 6, 2022, Commerce published in the Federal Register a notice of initiation of an administrative review of the Order on 84 producers/exporters.3 For a description of the events that occurred

since the initiation of this review, *see* the Preliminary Decision Memorandum.⁴

Scope of the Order

The product covered by the *Order* is collated staples from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Based on our analysis of U.S. Customs and Border Protection (CBP) information, we determine that 79 companies had no entries of subject merchandise during the POR.⁵ On May 25, 2023, we notified parties that we intended to rescind this administrative review with respect to the 79 companies because there are no reviewable suspended entries.⁶ No parties commented on the notification of intent to rescind the review, in part. Pursuant to 19 CFR 351.213(d)(3), we are rescinding the administrative review of these companies. We have included a list of these 79 companies in Appendix II of this notice. For additional information regarding this determination, see the Preliminary Decision Memorandum.7

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an "authority" that confers a benefit to the recipient, and that the subsidy is

Preliminary Rate for Non-Selected Companies Under Review

As discussed above, Commerce initiated this administrative review on 84 producers/exporters and is rescinding this administrative review, in part, with respect to 79 producers/ exporters. In addition, Commerce selected Tianjin Hweschun Fasteners Mfg. Co. Ltd. (Tianjin Hweschun) for individual examination. For the remaining four companies subject to this review, because the preliminary subsidy rate calculated for Tianjin Hweschun is above de minimis and not based entirely on facts available, we are preliminarily applying to the four nonselected companies, identified below, Tianjin Hweschun's subsidy rate. This methodology to establish the rate for the non-selected companies is applied pursuant to section 705(c)(5)(A) of the Act, which governs the calculation of the "all-others" rate in an investigation, as guidance. For additional information, see the Preliminary Decision Memorandum.¹⁰

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for the mandatory respondent Tianjin Hweschun. As this rate is not zero, de minimis, or based entirely on facts otherwise available, as discussed above, we applied it to all other producers/exporters subject to this review but not selected for individual examination (i.e., non-selected companies).

We preliminarily find the countervailable subsidy rates for the mandatory and non-selected respondents under review for the period of January 1, 2021, through December 31, 2021, to be as follows:

Producer/exporter	Subsidy rate (percent)
Tianjin Hweschun Fasteners Manufacturing Co., Ltd Ningbo Pacrim Manufacturing	86.44
Co., LtdShanghai Jade Shuttle Hardware	86.44 86.44

⁸ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

Producer/exporter	Subsidy rate (percent)
Shaoxing Bohui Import Export Co., Ltd Youngwoo (Cangzhou) Fas-	86.44
teners Co., Ltd	86.44

Final Results

Unless the deadline is extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(l)(i). For the companies remaining in the review, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the subsidy rates calculated in the final results of this review. For the companies remaining in the review, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that tapered roller bearings and parts thereof, finished and unfinished, (TRBs) from the People's Republic of China (China) have been sold at less than normal value (NV) during the period of review (POR), June 1, 2021, through May 31, 2022. SUPPLEMENTARY INFORMATION:

Background

On August 9, 2022, Commerce published a notice of initiation of an administrative review of the antidumping duty (AD) order on TRBs from China covering the POR with respect to seven companies. On February 22, 2023, we extended the preliminary results of this review to no later than June 30, 2023.

For a complete description of the events that followed the initiation of

¹ See Initiation of Antidumping and Countervailing Duty Administrative Reviews, 87 FR 48459 (August 9, 2022) (Initiation Notice). Changshan Peer Bearing Co., Ltd. (CPZ) was listed in the Initiation Notice; however, prior to publication, CPZ withdrew its request for an administrative review. Thus, in September 2022, Commerce published in the Federal Register a notice correcting the inadvertent inclusion of CPZ.
