

student loans and TEACH Grant service obligations are contained in 34 CFR 685.213 for the Direct Loan Program, 34 CFR 682.402(c) for the FFEL Program, 34 CFR 674.61(b) for the Perkins Loan Program, and 34 CFR 686.42(b) for the TEACH Grant Program. A final rule published on November 1, 2022 (87 FR 65904) made changes to the TPD discharge regulations, including an expansion of the types of SSA disability determinations that qualify a borrower or TEACH Grant recipient for TPD discharge; elimination of the requirement for borrowers who receive TPD discharges based on SSA determinations or a physician's certification to provide documentation of their annual earnings from employment during the 3-year post-discharge monitoring period; and expansion of the categories of medical professionals who may certify an individual's TPD discharge application which necessitate the revision of this information collection.

The Department received emergency clearance on June 28, 2023 since normal processing would not enable the Department to implement the required regulatory changes by July 1, 2023, resulting in several months of delays in providing eligible borrowers with the benefits of the amended TPD discharge regulations and not meeting the requirements of the Master Calendar. Any delay in discharging loans for eligible borrowers would increase the potential for public harm through delayed financial relief to borrowers who would qualify for discharge of their loans under the terms of the amended regulations. As a result, in order to meet the July 1, 2023, implementation date as required by the Master Calendar, the Department requested that OMB approve the collection associated with the implementation of the TPD discharge forms using the emergency clearance procedures. This notice allows the public to comment on the full ICR under the 60-day comment period.

Abstract: The Higher Education Emergency Relief Fund (HEERF) authorizes the Secretary of Education to allocate formula grant funds to participating institutions of higher education (IHEs) to address impacts of COVID-19. To date, the Department has made over 18,000 awards to over 5,100 IHEs totaling \$76.3 billion. In both volume of grants and amount of funding, HEERF is one of the largest grant programs in agency history.

On June 30, 2023, the project period for most HEERF grants will end and any remaining unliquidated grant funds will be returned to Treasury. Pursuant to 2 CFR 200.308(e)(2) and 34 CFR 75.261(a), grantees have the option to receive up to a twelve-month No-Cost Extension (NCE) of their grant project periods. The Department is requesting approval of an information collection to allow for HEERF grantees to request an extension beyond June 30, 2023, and ensure that grantees have a thought-out plan for using their remaining HEERF grant funds to address the lingering effects and impacts related to COVID-19.

Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: Loan Discharge Applications (DL/FFEL/Perkins).

OMB Control Number: 1845–0058.

Type of Review: A revision of a currently approved ICR.

Respondents/Affected Public: Individuals and households; State, local, and Tribal governments; private sector.

Total Estimated Number of Annual Responses: 32,761.

Total Estimated Number of Annual Burden Hours: 21,376.

Abstract: The Department of Education (Department) requested emergency processing for this revised information collection, 1845–0058; and therefore, is requesting the 60-day public comment period for the full ICR. The Higher Education Act of 1965, as amended (HEA), established the Federal Family Education Loan (FFEL) Program, the William D. Ford Federal Direct Loan (Direct Loan) Program, and the Federal Perkins (Perkins) Loan programs under title IV, parts B, D, and E, respectively. Section 437(c)(1) of the HEA authorizes the discharge of a FFEL or Direct Loan program loan borrower's obligation to repay their loan(s) based on school closure or false certification of student eligibility. Section 464(g)(1) of the HEA authorizes the discharge of a Perkins Loan Program loan based on school closure. The Department published a final rule on November 1, 2022 (87 FR 65904) that made significant changes to the regulations governing loan discharge based on school closure and false certification.

The Department received emergency clearance on June 28, 2023 since normal processing would not enable the Department to implement the required regulatory changes by July 1, 2023, resulting in several months of delays in providing eligible borrowers with the benefits of the amended loan discharge regulations and not meeting the requirements of the Master Calendar. Any delay in discharging loans for eligible borrowers would increase the potential for public harm through delayed financial relief to borrowers who would qualify for discharge of their loans under the terms of the amended

regulations. As a result, in order to meet the July 1, 2023 implementation date as required by the Master Calendar, the Department requested that OMB approve the collection associated with the implementation of the closed school and false certification loan discharge forms using the emergency clearance procedures. Although the Final Rule did not amend the unpaid refund discharge regulations, the unpaid refund discharge application is included with the other forms approved under OMB No. 1845–0058 and therefore is also covered by this request. This notice allows the public to comment on the full ICR under the 60-day comment period.

Dated: July 5, 2023.

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
