#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Black Lung Benefits Act (the Act), 30 U.S.C. 901–944, requires coal mine operators to be insured (either by qualifying as a self-insurer or obtaining commercial insurance) for liabilities arising from the Act; failure to do so may result in civil money penalties. 30 U.S.C. 933. These regulations also require carriers to file a separate report for each operator it insures. Carriers use Form CM–921, Notice of Issuance of Insurance Policy, to report issuance of insurance policies to operators.
