DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 38

RIN 2900-AR81

Names for National Cemeteries and Features

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is removing its regulation concerning the naming of cemeteries and features because, after reviewing internal policy and processes, VA determined this regulation is obsolete and unnecessary.

DATES: *Effective Date:* This rule is effective August 11, 2023.

FOR FURTHER INFORMATION CONTACT: Michelle Myers, Management and Program Analyst, Legislative and Regulatory Service (42E), National Cemetery Administration, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420. Telephone: (202) 717-2979 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: On March 22, 2023, VA published a proposed rule in the **Federal Register** (88 FR 17169) that proposed to remove its regulation concerning the naming of cemeteries and features. The public comment period ended on May 22, 2023, and VA received no comments in response to the proposed rule. Since there were no comments, VA is removing 38 CFR 38.602.

Executive Orders 12866, 13563 and 14904

Executive Order 12866 (Regulatory Planning and Review) directs agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 14094 (Executive Order on Modernizing Regulatory Review) supplements and reaffirms the principles, structures, and definitions governing contemporary regulatory review established in Executive Order 12866 of September 30, 1993 (Regulatory Planning and Review), and Executive Order 13563 of January 18, 2011 (Improving Regulation and Regulatory Review). The Office of Information and Regulatory Affairs has determined that this rulemaking is not a significant regulatory action under Executive Order 12866, as amended by Executive Order 14094. The Regulatory Impact Analysis associated with this rulemaking can be found as a supporting document at www.regulations.gov.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (5 U.S.C. 601–612). The factual basis for this certification is that the naming of national cemeteries and features is an internal operations function that only affects VA national cemeteries and did not require a regulation to effectuate. This rule revokes the existing regulation and will have no economic impact on small entities. Therefore, pursuant to 5 U.S.C. 605(b), the initial and final regulatory flexibility analysis requirements of 5 U.S.C. 603 and 604 do not apply.

Paperwork Reduction Act

This final rule contains no provisions constituting a collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3521).

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995 requires, at 2 U.S.C. 1532, that agencies prepare an assessment of anticipated costs and benefits before

issuing any rule that may result in the expenditure by State, local, and Tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This final rule will have no such effect on State, local, and Tribal governments, or on the private sector.

Congressional Review Act

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), the Office of Information and Regulatory Affairs designated this rule as not a major rule, as defined by 5 U.S.C. 804(2).
