By providing Members with a greater level of certainty as to which date in the month of June will be excluded from the calculation of ADAV, ADV, and TCV, the Exchange is providing additional certainty as to the level of rebates and costs for trading during the month of the Russell reconstitution, which could promote competition between the Exchange and other execution venues. Accordingly, the Exchange does not believe its proposed fee change imposes any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b-4¹³ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

July 6, 2023.

On December 21, 2022, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to replace the static holding period requirements for Midpoint Extended Life Orders and Midpoint Extended Life Orders Plus Continuous Book with dynamic holding periods. The proposed rule change was published for comment in the **Federal Register** on January 10, 2023.³ On February 22, 2023, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ On March 9, 2023, the Exchange filed Amendment No.1 to the proposed rule change, which amended and superseded the proposed rule change as originally filed. On April 7, 2023, the Commission provided notice of filing of Amendment No. 1 and instituted proceedings to determine whether to approve or disapprove the proposed rule change, as modified by Amendment No. 1.⁶ The Commission received comments on the proposed rule change.⁷

rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. The proposed rule change was published for notice and comment in the **Federal Register** on January 10, 2023.⁹ July 9, 2023, is 180 days from that date, and September 7, 2023, is 240 days from that date.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule change, as modified by Amendment No. 1, so that it has sufficient time to consider the proposed rule change, the issues raised in the comment letters that have been submitted in connection therewith, and the Exchange's response to comments. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,¹⁰ designates September 7, 2023, as the date by which the Commission should either approve or disapprove the proposed rule change, as modified by Amendment No. 1 (File No. SR-NASDAQ-2022-079).

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17g-2 (17 CFR 240.17g-2) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et*

seq.) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17g-2, "Records to be made and retained by nationally recognized statistical rating organizations," implements the Commission's recordkeeping rulemaking authority under Section 17(a) of the Exchange Act.¹ The rule requires a Nationally Recognized Statistical Rating Organization ("NRSRO") to make and retain certain records relating to its business and to retain certain other business records, if such records are made. The rule also prescribes the time periods and manner in which all these records must be retained. There are 10 credit rating agencies registered with the Commission as NRSROs under section 15E of the Exchange Act, which have already established the record keeping policies and procedures required by Rule 17g-2. Based on staff experience, NRSROs are estimated to spend a total industry-wide burden of 2,390 annual hours to make and retain the appropriate records.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication. August 11, 2023

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.
