#### VI. Membership Appointments to the Advisory Panel on Hospital Outpatient Payment

The Panel Charter provides that the Panel shall meet up to 3 times annually. We consider the technical advice provided by the Panel as we prepare the OPPS proposed and final rules to update the OPPS for the following calendar year. The Panel shall consist of a chair and up to 15 members who are full-time employees of hospitals, hospital systems, or other Medicare providers that are subject to the OPPS. The Panel may also include a representative of a provider with ASC expertise, who advises CMS only on OPPS APC rates, as appropriate, impacting ASC covered procedures within the context and purview of the Panel's scope. The Secretary or a designee selects the Panel membership based upon either self-nominations or nominations submitted by Medicare providers and other interested organizations of candidates determined to have the required expertise. For

supervision deliberations, the Panel may include members that represent the interests of critical access hospitals, who advise CMS only regarding the level of supervision for hospital outpatient therapeutic services. New appointments are made in a manner that ensures a balanced membership under the Federal Advisory Committee Act guidelines. The Secretary rechartered the Panel in 2022 for a 2-year period effective through November 20, 2024. The current charter is available on the CMS website at: <https://www.cms.gov/files/document/2022-hop-panel-charter.pdf>.
