[Docket Number MARAD–2018–0088]

Centers of Excellence for Domestic Maritime Workforce Training and Education; Designation Policy Update and Notice of Opportunity To Apply for Designation for 2023

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice.

SUMMARY: This notice updates the Centers of Excellence for Domestic Maritime Workforce Training and Education (CoE) designation policy and invites eligible and qualified training entities to apply to the Maritime Administration (MARAD) for designation as a 2023 CoE. CoE designations serve to assist the maritime industry in obtaining and maintaining the highest quality workforce. On December 23, 2022, Congress passed the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023 (FY 2023 NDAA), which changed the eligibility criteria for CoE designations by amending the definition of “covered training entity” (see Key Terms). As a result, MARAD has terminated action on all 2022 applications which were based on eligibility criteria no longer valid under the new law.

DATES: Applications, including all supporting information and documents, must be submitted by 8:00 p.m. E.T. on September 18, 2023.

ADDRESSES: Applications, including all supporting information and documents, must be submitted via electronic mail to CoEDMWTE@dot.gov. The original application letter, including one copy of all supporting information and documents, may also be submitted by mail addressed to U.S. Department of Transportation, Maritime Administration, Deputy Associate Administrator for Maritime Education and Training, Attention: CoE Designation Program, 1200 New Jersey Avenue SE, Washington, DC 20590.

FOR FURTHER INFORMATION CONTACT: Gerard Wall, Centers of Excellence for Domestic Maritime Workforce Training

and Education (CoE) Program Manager, via electronic mail at gerard.wall@dot.gov or call 202–366–7273.

SUPPLEMENTARY INFORMATION: Section 3507 of the FY 2018 NDAA provided authority to the Secretary to designate eligible and qualified entities as CoEs. This authority is codified at 46 U.S.C. 51706. Following the enactment of the FY 2018 NDAA, MARAD developed a procedure to recommend to the Secretary the designation of eligible institutions as CoEs. Section 3532 of the FY 2023 NDAA, enacted on December 23, 2022, changed eligibility criteria for CoE designations by amending the definition of “covered training entity.” MARAD has revised its CoE designation procedure to conform to the amended CoE eligibility criteria in the FY 2023 NDAA.

Previously, the definition of “covered training entity” was restricted to institutions specifically identifying as a “Community or Technical College” or “Maritime Training Center.” The FY 2023 NDAA replaced those terms with new categories that include postsecondary education entities, apprenticeship sponsors, and structured experiential learning training programs.

46 U.S.C. 51706(c)(1)(B), provides that a “covered training entity” includes (i) a postsecondary educational institution; (ii) a postsecondary vocational institution; (iii) a public or private nonprofit entity that offers one or more other structured experiential learning training programs for United States maritime industry, including a program that is offered by a labor organization or conducted in partnership with a nonprofit organization or one or more employers in the United States maritime industry; (iv) an entity sponsoring a registered apprenticeship program; or (v) a maritime training center designated prior to the date of enactment of the FY 2023 NDAA. As reflected in the definition of “covered training entity” in the Key Terms section of this notice, to be eligible for a 2023 CoE designation, an entity must meet one of the eligibility criteria under clauses (i) through (v) of 46 U.S.C. 51706(C)(1)(B).

Qualified training entities seeking to be designated as CoEs should apply to MARAD. MARAD has developed the new policy to provide interested parties with comprehensive agency guidance on how to apply for CoE designation and how the CoE program will be administered. Applications should include information to demonstrate that the applicant institution meets certain eligibility requirements, selection criteria, and qualitative attributes

consistent with section 3532 of the FY 2023 NDAA.

The MARAD application procedure and program details are listed below and are also available to the public on its website at <https://www.maritime.dot.gov/education/maritime-centers-excellence>.

Eligible entities who submitted applications in response to the previous MARAD notice in the **Federal Register** (87 FR 43103) on July 19, 2022, must resubmit their applications, including a new letter from the Chief Executive indicating which of the revised eligibility categories best reflects the nature of their institution and a statement explaining how they qualify under that applicable eligibility category. Such applicants may resubmit supporting documents and data from 2022 unless there are substantive changes to the previously submitted information in which case an updated version is to be submitted with the 2023 application.
