(OMB) approval for the information collection EAC Help America Vote College Program (HAVCP) Application Kit.

DATES: Comments must be received by 5 p.m. Eastern on Monday, September 18, 2023.

ADDRESSES: To view the proposed EAC HAVCP Application Kit format and instruments, see: <https://www.eac.gov/payments-and-grants/hava-grant-programs>. For information on the Application Kit, contact Tina Bateman, Office of Grants Management, Election Assistance Commission, Grants@eac.gov. SUPPLEMENTARY INFORMATION:

Purpose

The purpose of this notice is to allow 60 days for public comment from all interested individuals and organizations. In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC will submit to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below after the 60 days have passed. The EAC Office of Grants Management (EAC/OGM) is responsible for distributing, monitoring and providing technical assistance to states and grantees on the use of federal funds. EAC/OGM also reports on how the funds are spent to Congress, negotiates indirect cost rates with grantees, and resolves audit findings on the use of Help America Vote Act of 2002 (HAVA) funds. The U.S. Election Assistance Commission (EAC) anticipates the availability of \$1 million dollars in discretionary grant funding to support the Help America Vote College Program (HAVCP). The HAVCP grant competition includes funding for two separate grant programs: The HAVCP Poll Worker grant and the HAVCP Service Day mini-grant. Applicant organizations may apply for either or both grants but may not submit more than one application for each. The

purpose of the HAVCP Poll Worker grant is to encourage college students to assist state and local governments in the administration of elections by serving as nonpartisan poll workers or assistants, and to encourage jurisdictions to utilize these efforts. The purpose of the HAVCP Service Day mini-grant is to elevate civic participation on college campuses through a day of service and inspire college students to volunteer their time and talents to ensure safe, secure, accessible, and transparent elections.

The EAC Help America Vote College Program Application Kit Progress has been developed for discretionary grants issued under HAVA authority. This application package provides the instruments necessary to collect competitive applications with program-specific information necessary for the College Program. Supporting guidance and instructions are included as applicant resources and to reduce the administrative burden of applying for federal funds.
