

adequacy of transportation offerings. Applicants state that Express will continue to provide the same level of services in all states in which it operates. (Suppl. 3, June 21, 2023.) Applicants further explain that, following the transaction, Express will offer substantially the same charter and contract transportation services currently provided by James, and that James' current motor coach fleet is sufficient in size to meet the requirements of James' charter and contract service customer base. (*Id.* at 3–5.) Thus, the transaction will have little or no impact on competing passenger charter and contract motor carriers because Express would simply be replacing James as the operator in the Richmond and Norfolk markets that James primarily serves, which, according to Applicants, are separate from the markets served by Express from Northern Virginia. (*Id.* at 6.) Applicants also assert that James' motor coach operations outside Virginia are “minimal, approximately 13% of total charter and contract operations”; state that the Express motor carrier affiliates (Lines, Airport, and Bus (FL)) do not conduct any regular and primary charter or contract passenger service operations in Virginia, the primary market in which James operates; and claim that due to these limiting factors, they do not anticipate that the acquisition of James' motor coach assets will have a substantial negative impact on competitors. (*Id.* at 6–7).<sup>6</sup>

Based on Applicants' representations, the Board finds that the proposed acquisition is consistent with the public interest and should be tentatively approved and authorized. If any opposing comments are timely filed, these findings will be deemed vacated and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6(c). If no opposing comments are filed by the expiration of the comment period, this notice will take effect automatically and will be the final Board action.

<sup>6</sup>The Board notes that the asset purchase agreement contains a non-compete agreement, which prohibits James and its affiliates (except for Stephen Story, whose arrangement is governed by a consulting agreement), for a period of time, from soliciting the customer client base sold to Express or otherwise competing with Express in the geographic areas in which James currently conducts business operations. (Appl., Ex. C art. 10.01.) After a review of the contractual provision, and based on the verified information submitted by Applicants regarding the limited amount of market overlap, the Board finds that the clause does not appear to have an anticompetitive effect, on balance, in the markets in which Applicants operate.

This action is categorically excluded from environmental review under 49 CFR 1105.6(c).
