DEPARTMENT OF LABOR

Employment and Training Administration

Workforce Information Advisory Council

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice of renewal of the Workforce Information Advisory Council.

SUMMARY: The Department of Labor (Department) announces the renewal of the Workforce Information Advisory Council (WIAC) charter.

SUPPLEMENTARY INFORMATION:

I. Background and Authority

Section 15 of the Wagner-Peyser Act, 29 U.S.C. 49 I-2, as amended by section 308 (e) of the Workforce Innovation and Opportunity Act of 2014 (WIOA), Public Law 113-128 requires the Secretary of Labor (Secretary) to establish and maintain the WIAC.

The statute, as amended, requires the Secretary, acting through the Commissioner of Labor Statistics and the Assistant Secretary for Employment and Training, to formally consult at least twice annually with the WIAC to address: (1) Evaluation and improvement of the nationwide workforce and labor market information system established by the Wagner-Peyser Act, and of the statewide systems that comprise the nationwide system, and (2) how the Department and the States will cooperate in the management of those systems. The Secretary, acting through the Bureau of Labor Statistics (BLS) and the Employment and Training Administration (ETA), and in consultation with the WIAC and appropriate Federal agencies, must also develop a 2-year plan for management of the system, with subsequent updates every two years thereafter. The statute generally prescribes how the plan is to be developed and implemented, outlines the contents of the plan, and requires the Secretary to submit the plan to designated authorizing committees in the House and Senate.

By law, the Secretary must “solicit, receive, and evaluate” recommendations from the WIAC, and respond to the recommendations in writing to the WIAC. The WIAC must make written recommendations to the Secretary on the evaluation and improvement of the workforce and labor market information system, including recommendations for the 2-year plan. The 2-year plan, in turn, must describe WIAC recommendations and the extent to which the plan incorporates them.

The WIAC accomplishes its objectives by, for example: (1) Studying workforce and labor market information issues; (2) seeking and sharing information on innovative approaches, new technologies, and data to inform employment, skills training, and workforce and economic development decision making and policy; and (3)

advising the Secretary on how the workforce and labor market information system can best support workforce development, planning, and program development.

II. Structure

The Wagner-Peyser Act at section 15(d)(2)(B), requires the WIAC to have 14 representative members, appointed by the Secretary, consisting of:

(i) Four members who are representatives of lead State agencies with responsibility for workforce investment activities, or State agencies described in Wagner-Peyser Act Section 4 (agency designated or authorized by Governor to cooperate with the Secretary), who have been nominated by such agencies or by a national organization that represents such agencies;

(ii) Four members who are representatives of the State workforce and labor market information directors affiliated with the State agencies responsible for the management and oversight of the workforce and labor market information system as described in Wagner-Peyser Act Section 15(e)(2), who have been nominated by the directors;

(iii) One member who is a representative of providers of training services under WIOA section 122 (Identification of Eligible Providers of Training Services);

(iv) One member who is a representative of economic development entities;

(v) One member who is a representative of businesses, who has been nominated by national business organizations or trade associations;

(vi) One member who is a representative of labor organizations, who has been nominated by a national labor federation;

(vii) One member who is a representative of local workforce development boards, who has been nominated by a national organization representing such boards; and

(viii) One member who is a representative of research entities that use workforce and labor market information.

The Secretary must ensure that the membership of the WIAC is geographically diverse, and that no two members appointed under clauses (i), (ii), and (vii), above, represent the same State. Each member of the WIAC is appointed for a term of three years, except that the initial terms for members may be one, two, or three years in order to establish a rotation in which one-third of the members are selected each year and the Secretary will not appoint

a member for any more than two consecutive terms. Any member whom the Secretary appoints to fill a vacancy occurring before the expiration of the predecessor's term will be appointed only for the remainder of that term. Members of the WIAC will serve on a voluntary and generally uncompensated basis, but will be reimbursed for travel expenses to attend WIAC meetings, including per diem in lieu of subsistence, as authorized by the Federal travel regulations. All WIAC members serve at the pleasure of the Secretary. Members may be appointed, reappointed, or replaced, and their terms may be extended, changed, or terminated at the Secretary's discretion. A member's excessive absence from WIAC meetings may result in the member's removal and replacement. The Secretary will appoint a WIAC Chairperson and Vice-Chairperson.

SUPPLEMENTARY INFORMATION:

I. Background

The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651, 656) established NACOSH to advise, consult with, and make recommendations to the Secretary of Labor and the Secretary of Health and Human Services (HHS) on matters relating to the administration of the OSH Act. NACOSH is a continuing advisory committee of indefinite duration.

NACOSH operates in accordance with the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), its implementing regulations (41 CFR part 102-3), and OSHA's regulations on advisory committees and NACOSH (29 CFR parts 1912 and 1912a).

NACOSH is comprised of 12 members: four public representatives, two management representatives, two labor representatives, two occupational safety professional representatives, and two occupational health professional representatives (29 CFR 1912a.2). The Secretary of Labor appoints all of these members. However, the Secretary of HHS designates four of the representatives: two of the four public representatives and the two occupational health professional representatives. NACOSH members serve staggered two-year terms, unless the member becomes unable to serve, resigns, ceases to be qualified to serve, or is removed by the Secretary.

On January 3, 2023, OSHA published a request for nominations for two NACOSH HHS positions that would expire on June 16, 2023, and four NACOSH OSHA positions that would expire on July 31, 2023 (88 FR 119). Specifically, OSHA requested nominations for:

- Two (2) public representatives (one for OSHA, one for HHS);
- One (1) management representative (OSHA);
- One (1) labor representative (OSHA);

- One (1) occupational safety professional representative (OSHA); and
- One (1) occupational health professional representative (HHS).

OSHA handled the nominations consistent with the process identified in the FRN.

The Acting Secretary of Labor proceeded with the appointment of individuals to six positions on June 30, 2023.

II. Appointment of Committee Members

OSHA received nominations of highly qualified individuals in response to the agency's request for nominations (88 FR 119, January 3, 2023). The Secretary appointed NACOSH members based on their experience and competence in the field of occupational safety and health (29 CFR 1912a.2). The NACOSH members that the Acting Secretary appointed on August 1, 2023, with terms expiring on August 1, 2025 are:

Public Representative

- Michael Larranaga, REM Risk Consultants (HHS).
