

comment on additional potential changes to the Form I-9. See 87 FR 50786, 50793 (Aug. 18, 2022). Specifically, DHS proposed to create a framework under which the Secretary of Homeland Security may, as an optional alternative to the regulatory in-person physical document examination method that employers have used to examine employees' Form I-9 documents, authorize alternative document examination procedures, such as for remote document examination. As part of this proposal, DHS proposed to add a checkbox to the Form I-9, which an employer would use to indicate their use of an alternative document examination procedure. In this issue of the **Federal Register**, DHS published a final rule on this topic as well as an accompanying document authorizing an alternative procedure for document examination. Consistent with the final rule, the newly updated Form I-9 contains such a checkbox.

## II. Changes to Form I-9

The newly updated Form I-9 contains myriad revisions to the form and its instructions to streamline these materials and reduce employer and employee burden associated with the form.

USCIS made the following updates to the Form I-9:

- Reduced Sections 1 and 2 to a single-sided sheet. No previous fields were removed. Rather, multiple fields were merged into fewer fields when possible.
- Moved the Section 1 Preparer/Translator Certification area to a separate, standalone supplement (Supplement A) that employers can provide to employees when necessary. Employers may attach additional supplement sheets as needed.
- Moved the Section 3 Reverification and Rehire area to a separate, standalone supplement (Supplement B) that employers can print if or when rehire occurs or reverification is required. Employers may attach additional supplement sheets as necessary.
- Removed use of "alien authorized to work" in Section 1 and replaced it with "noncitizen authorized to work" as well as clarified the difference between "noncitizen national" and "noncitizen authorized to work."
- Ensured the form can be filled out on tablets and mobile devices.
- Removed certain features to ensure the form can be downloaded easily. This also removes the requirement to enter N/A in certain fields.

- Updated the notice at the top of the Form I-9 that explains how to avoid discrimination in the Form I-9 process.

- Revised the Lists of Acceptable Documents page to include some acceptable receipts as well as guidance and links to information on automatic extensions of employment authorization documentation.

- Added a box that eligible employers must check if the employee's Form I-9 documentation was examined under a DHS-authorized alternative procedure rather than via physical examination.

USCIS updated the following in the Form I-9 instructions:

- Reduced length of instructions from 15 pages to 8 pages.
- Added definitions of key actors in the Form I-9 process.
- Streamlined the steps each actor takes to complete their section of the form.
- Added instructions for use of the new checkbox for employers who choose to examine Form I-9 documentation under an alternative procedure.
- Removed the abbreviations charts and relocated them to the M-274, *Handbook for Employers: Guidance for Completing Form I-9*.

## III. Use of the Updated Form I-9

In this Notice, USCIS is announcing that as of August 1, 2023, employers should begin using Form I-9 with a version date of "(Rev. 08/01/23)" to comply with their employment eligibility verification responsibilities. The version date is located in the bottom corner of the form.

Employers may continue using the prior version of Form I-9 (Rev. 10/21/19) through October 31, 2023. USCIS is allowing employers this additional time to make necessary updates and adjust their business processes. After October 31, 2023, the prior version of Form I-9 will be obsolete and no longer valid for use. The public can download the current Form I-9 from [www.uscis.gov/i-9](http://www.uscis.gov/i-9). Beginning November 1, 2023, employers who fail to use Form I-9 (Rev. 08/01/23) may be subject to all applicable penalties under section 274A of the Immigration and Nationality Act (INA), 8 U.S.C. 1324a, as enforced by U.S. Immigration and Customs Enforcement (ICE).

Employers do not need to complete the new Form I-9 (Rev. 08/01/23) for current employees who already have a properly completed Form I-9 on file, unless reverification applies after October 31, 2023. Unnecessary verification may violate the INA's anti-discrimination provision, section 274B

of the INA, 8 U.S.C. 1324b, which is enforced by IER.

## IV. Obtaining Form I-9 (Rev. 08/01/2023)
