The areas described aggregate 38.50 acres.

The total areas described, including public and non-Federal lands, aggregate 163.62 acres. The Secretary approved the BLM's petition/application. Therefore, the petition/application constitutes a withdrawal proposal of the Secretary of the Interior (43 CFR 2310.1–3(e)).

The use of a right-of-way, interagency agreement, or cooperative agreement would not adequately constrain mineral location and surface entry, which could adversely affect ongoing management activities and existing and planned capital improvements resulting in land use conflicts and irretrievable loss of natural resources. Suitable alternative

sites are not available because the recreational sites have unique values.

No water is necessary to fulfill the purpose of the proposed withdrawal. Records relating to this proposed withdrawal may be examined by contacting the BLM at the above address and phone number.

Comments, including names and street addresses of respondents, will be available for public review at the address indicated above during regular business hours. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personally identifying information—may be made publicly available at any time. While you may ask the BLM in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the State Director, BLM Oregon/Washington State Office, at the address in the **ADDRESSES** section, within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the date, time, and place will be published in the **Federal Register** and local newspapers and posted on the BLM website at www.blm.gov at least 30 days before the scheduled date of the meeting.

For a period of 2 years from the date of publication of this notice in the **Federal Register**, the land will be segregated from location or entry under the United States mining laws unless the application is denied or cancelled or if the withdrawal is approved prior to that date. The temporary uses that may be permitted during this segregation period are leases, licenses, permits, rights-of-way, and disposal of mineral or vegetative resources other than under the mining laws.

This withdrawal application will be processed in accordance with the regulations set forth at 43 CFR part 2300.

(Authority: 43 U.S.C. 1714.)

Barry R. Bushue,

BLM Oregon/Washington State Director.

AGENCY: International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) of the presiding Administrative Law Judge (“ALJ”) granting an unopposed motion of respondent The Chamberlain Group, LLC of Oak Brook, Illinois (“Chamberlain”) for the return of the bond it paid under the remedial orders during the period of Presidential review. The bond is returned to Chamberlain, and the bond return proceeding is terminated.

Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: On August 10, 2020, the Commission instituted an investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Overhead Door Corporation of Lewisville, Texas and GMI Holdings Inc. of Mount Hope, Ohio (collectively, “Overhead Door”). See 85 FR 48264–65 (Aug. 10, 2020). The complaint, as supplemented, alleged a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain movable barrier operator systems and components thereof by reason of

infringement of U.S. Patent Nos. 8,970,345 (“the ’345 patent”); 7,173,516 (“the ’516 patent”); 7,180,260 (“the ’260 patent”); 9,483,935 (“the ’935 patent”); 7,956,718 (“the ’718 patent”); and 8,410,895 (“the ’895 patent”). *See id.* The notice of investigation named Chamberlain (formerly, The Chamberlain Group, Inc.) as the respondent in this investigation. *See id.* The Office of Unfair Import Investigations (“OUII”) was not named as a party. *See id.*

On February 10, 2021, the Commission terminated the investigation as to the ’516 patent based on the withdrawal of the allegations in the complaint as to that patent. *See* Order No. 10 (Jan. 19, 2021), *unreviewed by* Comm’n Notice (Feb. 10, 2021).

On February 9, 2022, the Commission issued a final determination finding a violation of section 337 based on Chamberlain’s infringement of the asserted claims of the ’935, ’718, and ’895 patents, but not the ’345 and ’260 patents. *See* 87 FR 8605–06 (Feb. 15, 2022). The Commission further determined to: (1) issue a limited exclusion order against Chamberlain’s infringing products and a cease and desist order against Chamberlain (collectively, the “remedial orders”); and (2) set a bond during the period of Presidential review in the amount of one hundred (100) percent of the entered value of the infringing articles. *See id.* On March 30, 2022, the Commission issued modified remedial orders to confirm that the covered products or articles in the remedial orders include garage door openers, gate operators, and commercial operators. *See* 87 FR 19709–10 (Apr. 5, 2022).

On April 11 and 12, 2022, respectively, Overhead Door and Chamberlain filed appeals from the Commission’s final determination with the U.S. Court of Appeals for the Federal Circuit. *See Chamberlain Grp., LLC v. ITC*, Appeals Nos. 22–1664, 22–1656 (consolidated). On June 14, 2023, the Federal Circuit dismissed the appeals based on a joint stipulation of voluntary dismissal. *See Chamberlain Grp., LLC v. ITC*, Order, Appeal No. 22–1664, ECF No. 95 (Fed. Cir. June 14, 2023).

On August 5, 2022, the Commission instituted an enforcement proceeding under Commission Rule 210.75 (19 CFR 210.75) to investigate alleged violations of the remedial orders by Chamberlain’s legacy and redesigned products. *See* 87 FR 48039 (Aug. 5, 2022). In addition to Overhead Door and Chamberlain, OUII was also named as a party to the enforcement proceeding. *See id.* The Commission subsequently terminated

the enforcement proceeding based on settlement. *See* Order No. 26 (June 14, 2023), *unreviewed by* Comm’n Notice (July 12, 2023).

On June 13, 2023, Overhead Door and Chamberlain filed a joint petition to rescind the remedial orders (original and modified) based on the settlement agreement. On July 12, 2023, the Commission determined to institute a rescission proceeding and to rescind the remedial orders (original and modified). Comm’n Notice (July 12, 2023). The rescission proceeding has been terminated. *Id.*

On June 15, 2023, Chamberlain filed an unopposed motion for the return of the bond it posted under the remedial orders during the period of Presidential review. On June 20, 2023, OUII filed a response in support of the motion.

On June 28, 2023, the ALJ issued the subject ID (Order No. 27) granting the motion. *See* ID at 2; *see also id.* at 1 (incorrectly referring to the exclusion order as a general exclusion order rather than a limited exclusion order). The ID notes that the motion was filed within 30 days after the resolution of the appeal, in compliance with Commission Rule 210.50(d)(1)(ii) (19 CFR 210.50(d)(1)(ii)). *See* ID at 2. The ID also finds “no reason to deny Chamberlain’s request for the return of bond.” *See id.* No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. The bond is returned to Chamberlain. The bond return proceeding is terminated.

The Commission’s vote on this determination took place on July 20, 2023.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: July 20, 2023.

Lisa Barton,

Secretary to the Commission.
