Food and Nutrition Service

Title: School Meals Operations Study: Evaluation of the School-based Child Nutrition Programs.

OMB Control Number: 0584-0607.

Summary of Collection: FNS administers the school-based Child Nutrition (CN) Programs (*i.e.*, the school meal programs) in partnership with States and local SFAs. Section 28(a) of the Richard B. Russell National School Lunch Act authorizes the USDA Secretary to conduct annual national performance assessments of the school meal programs. FNS plans to conduct this annual assessment through the SMO Study in SY 2023-2024. This notice covers the fourth year of the SMO Study, which will collect data from State and local agencies on the CN COVID-19 waivers as well as data on state and local CN Program operations during SY 2022-2023. Data collection will occur in SY 2023-2024.

Need and Use of the Information: The goal of data collection for the SMO Study is to respond to annual research questions on the following topics: (1) school participation, (2) student participation, (3) meal counting, (4) financial management, and (5) program integrity. This revision covers data collection for one school year, with revisions of surveys and administrative data collection instruments from previous years.

1. General descriptive data on the characteristics of CN Programs to inform the budget process and answer questions about topics of current policy interest;

2. Data on Program operations to identify potential topics for training and technical assistance for SFAs and State agencies (SAs) responsible for administering the CN Programs;

3. Administrative data to identify program trends and predictors;

4. Information on the use and effectiveness of the CN COVID-19 waivers.

Description of Respondents: State, local, and Tribal government.

Number of Respondents: 1,342.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 2,031.
