SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–97959; File No. SR–BOX–2023–19]

Self-Regulatory Organizations; BOX Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Fee Schedule for Trading on the BOX Options Market LLC Facility To Change How Certain Complex Orders Are Assessed Within the Fee Structure

July 21, 2023.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on July 18, 2023, BOX Exchange LLC (“Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposed rule change pursuant to section 19(b)(3)(A)(ii) of the Act,³ and Rule 19b–4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to amend the Fee Schedule for trading on the BOX Options Market LLC (“BOX”) options facility to change how certain Complex Orders are assessed within the fee structure, specifically each leg of a Complex Orders that

executes against the BOX Book⁵ instead of the Complex Order Book.⁶ The text of the proposed rule change is available from the principal office of the Exchange, at the Commission’s Public Reference Room, and also on the Exchange’s internet website at <http://boxexchange.com>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule for trading on BOX to change how certain Complex Orders are assessed within the fee structure, specifically each leg of a Complex Orders that executes against the BOX Book⁷ instead of the Complex Order Book.⁸

While a Participant may enter a Complex Order with the intent of that Order executing against another Complex Order on the Complex Order Book, the BOX Trading System allows single legs within the Complex Order to execute against orders on the BOX Book.⁹ Currently, each leg of a Complex Order executed against the BOX Book is treated as a Complex Order for purposes of the Fee Schedule and subject to the fees detailed in Section VI (Complex Order Transaction Fees). The Exchange now proposes to amend Section VI.B (Orders on BOX Book Executed Against Complex Orders) of the BOX Fee

Schedule to include language stating that each leg of a Complex Order executed against the BOX Book will be treated as a standard order for purposes of the Fee Schedule and now be subject to Section IV (Electronic Transaction Fees). Specifically, the Exchange proposes to amend Section VI.B as follows:

Each order on the BOX Book executed against a Complex Order and each leg of a Complex Order executed against the BOX Book will be treated as a standard order for purposes of the Fee Schedule and subject to Section IV.A (Electronic Transaction Fees for Non-Auction Transactions).

The Exchange believes the proposed change is reasonable because the Exchange’s fee structures for electronic non-auction transactions and Complex Orders are designed to independently attract liquidity and to reward Participants for their order flow. Specifically, when a Complex Order interacts with the BOX Book, the orders in the BOX Book are assessed electronic transaction fees for non-auction transactions.¹⁰ In contrast, the legs of the Complex Order involved in the same transaction are assessed fees from a different section of the BOX Fee Schedule, which may be confusing to Participants.¹¹ As such, the Exchange proposes to assess each leg of a Complex Order that trades against the BOX Book the electronic transaction fees for non-auction transactions detailed in Section IV.A of the BOX Fee Schedule. The Exchange believes that assessing each leg of a Complex Order according to the fee structure applicable to electronic non-auction transactions (which may increase or decrease fees or result in BOX providing no rebate or a smaller rebate), is reasonable because such orders may benefit from the liquidity on the BOX Book in addition to the liquidity on the Complex Order Book. The Exchange believes further that the proposed changes are reasonable because they add clarity to the Fee Schedule by expressly providing which fees will be assessed to the legs of a Complex Order when the legs of a Complex Order interact with the BOX Book.

The Exchange notes that Complex Orders from Public Customers are assessed no fee or provided a rebate of \$0.50 depending on the contra party and whether the order is making or taking liquidity in Penny Interval Classes and are assessed no fee or provided a rebate

⁵ The term “Central Order Book” or “BOX Book” means the electronic book of orders on each single option series maintained by the BOX Trading Host. See BOX Rule 100(a)(10).

⁶ The term “Complex Order Book” means the electronic book of Complex Orders maintained by the BOX Trading Host. See BOX Rule 7240(a)(8).

⁷ The term “Central Order Book” or “BOX Book” means the electronic book of orders on each single option series maintained by the BOX Trading Host. See BOX Rule 100(a)(10).

⁸ The term “Complex Order Book” means the electronic book of Complex Orders maintained by the BOX Trading Host. See BOX Rule 7240(a)(8).

⁹ See BOX Rule 7240.

¹⁰ See BOX Fee Schedule Section VI.B.

¹¹ Although this is not specified expressly in the Fee Schedule, the legs of Complex Orders trading against the BOX Book are currently assessed Complex Order transaction fees in BOX Fee Schedule Section VI.A.
