**SUPPLEMENTARY INFORMATION:** This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

## A. Overview of Information Collection

*Title of Information Collection:* Quality Control Requirements for Direct Endorsement Lenders.

OMB Approval Number: 2502–0600. Type of Request: Extension of

currently approved collection. Form Number: Not Applicable. Description of the need for the information and proposed use: Per 24

CFR 202.8(a)(3), a Direct Endorsement (DE) lender that sponsors third party originators (TPOs) is, "responsible to the Secretary for the actions of its third party originators or mortgagees in originating loans or mortgages, unless applicable law or regulation requires specific knowledge on the part of the party to be held responsible." As a result, DE lenders are responsible for conducting quality control reviews on TPO originations of FHA-insured mortgage loans and ensuring that their Quality Control Plans contain this oversight provision. This creates an information collection burden on DE lenders, since these institutions must also conduct quality control on loans they originate and underwrite. DE lenders must conduct quality control reviews on a sample of loans that they originate or underwrite, including loans originated by TPOs. For the purposes of this information collection, it is assumed that the number of loans reviewed by each DE lender will comply with the Sample Size Standard and Sample Composition Standard described in HUD Handbook 4000.1, section V.A.3.a.

In addition, under 24 CFR 203.255(c) and (e), HUD conducts both pre- and post-endorsement reviews of loans submitted for FHA insurance by DE lenders. As part of those reviews, the Secretary is authorized to determine if there is any information indicating that any certification or required document is false, misleading, or constitutes fraud or misrepresentation on the part of any party, or that the mortgage fails to meet a statutory or regulatory requirement. In order to assist the Secretary with this directive, FHA requires that lenders self-report all findings of fraud and material misrepresentation, as well any material findings concerning the origination, underwriting, or servicing of the loan that the lender is unable to mitigate or otherwise resolve, per HUD Handbook 4000.1, sections V.A.2.d. iv (A) and V.A.2.d.iv (B). The obligation to self-report these findings creates an additional information collection burden on DE lenders.

*Respondents:* Active Title II Direct Endorsement Lenders.

*Estimated Number of Respondents:* 3,187.

*Estimated Number of Responses:* 67,710.

Frequency of Response: Annually. Average Hours per Response: .25. Total Estimated Burden Hours: 16,927.50.
