The Institute of Museum and Library Services is the primary source of federal support for the Nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. To learn more, visit www.imls.gov.

II. Current Actions

In direct response to the COVID-19 pandemic, IMLS awarded roughly \$250 million in ARPA and CARES Act funds to State Library Administrative Agencies, libraries, museums, federally recognized Indian tribes, and nonprofit organizations that primarily serve and

represent Native Hawaiians. The proposed evaluation of IMLS's ARPA and CARES Act grant programs will include a review of the relevant administrative processes and the distribution and use of the funds in order to improve the agency's understanding of the effectiveness of the program and the lessons learned, identify gaps and needs in continuing post-recovery, and improve or inform future design, technical support, and distribution of special use funds as part of an overall emergency response plan.
