#### Notice of Extension of Public Comment Period

On July 11, 2023, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of Idaho in the lawsuit entitled United States of America v. J.R. Simplot Company, Civil Action No. 1:23-cv-322. The United States filed this lawsuit under the **Resource Conservation and Recoverv** Act, the Clean Air Act, the **Comprehensive Environmental** Response, Compensation, and Liability Act, and the Emergency Planning and Community Right-To-Know Act. The United States' complaint seeks injunctive relief and civil penalties for alleged violations of these statutes at defendant's phosphoric acid and fertilizer manufacturing plant located near Pocatello, Idaho, known as the Don Plant. The proposed consent decree requires defendant to implement injunctive relief and mitigation measures to address the alleged violations and pay a \$1.5 million civil penalty.

On July 17, 2023, the Department of Justice published notice of the proposed consent decree and published a corrected notice on July 25, 2023 (88 FR 47907). The notice started, and the corrected notice re-started, a 30-day period for the submission of comments on the proposed consent decree. The Department of Justice has received requests for an extension of the comment period. In consideration of the requests, notice is hereby given that the Department of Justice has extended the comment period on the proposed consent decree by an additional 30 days, up to and including September 25, 2023.

Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States of America* v. *J.R. Simplot*  *Company,* D.J. Ref. No. 90–7–1–08388/ 23. Comments may be submitted either by email or by mail:

# SUPPLEMENTARY INFORMATION:

#### I. Background

The Department of Labor, as part of the continuing effort to reduce paperwork and respondent (i.e., employer) burden, conducts a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)). This program ensures that information is in the desired format, reporting burden (time and costs) is minimal, the collection instruments are clearly understood, and OSHA's estimate of the information collection burden is accurate. The Occupational Safety and Health Act of 1970 (OSH Act) (29 U.S.C. 651 et seq.) authorizes information collection by employers as necessary or appropriate for enforcement of the OSH Act or for developing information regarding the
