SUPPLEMENTARY INFORMATION:

I. Abstract

The U.S. Census Bureau plans to request a three-year extension of the current Office of Management and Budget (OMB) clearance of the Survey of Housing Starts, Sales and Completions, also known as the Survey of Construction (SOC). The SOC collects monthly data on new residential construction from a sample of owners or builders. The Census Bureau uses the Computer-Assisted Personal Interviewing (CAPI) electronic questionnaires SOC–QI/SF.1 and SOC–QI/MF.1 to collect data on start and completion dates of construction, physical characteristics of the structure (floor area, number of bathrooms, type of heating system, etc), and if applicable, date of sale, sales price, and type of financing. The SOC provides widely used measures of construction

activity, including the economic indicators Housing Starts and Housing Completions, which are from the New Residential Construction series, and New Residential Sales. The current clearance for this survey is scheduled to expire on March 31, 2024.

We sample approximately 1,780 new buildings each month (approximately 21,363 per year). We inquire about the progress of each building multiple times until it is completed (and a sales contract is signed, if it is a single-family house that is built for sale). For single-family buildings, we conduct an average of 8.2 interviews and for multifamily buildings, we conduct an average of 6.4 interviews. The total number of interviews conducted from 2020 through 2022 was averaged and for single-family buildings is approximately 112,471 annually and for multifamily buildings is about 48,941 annually. Each interview takes 5 minutes on average. Therefore, the total annual burden is 13,451 hours.

II. Method of Collection

The Census Bureau uses its field representatives to collect the data. The field representatives conduct interviews to obtain data.

III. Data

OMB Control Number: 0607–0110.
Form Number(s): SOC–QI.SF.1 and SOC–QI/MF.1.

Type of Review: Regular submission. Request for an Extension without Change of a Currently Approved Collection.

Estimated Number of Respondents: 21,363.

Estimated Time per Response: 5 minutes.

Estimated Total Annual Burden Hours: 13,451.

Estimated Total Annual Cost to Public: \$0. (This is not the cost of respondents' time, but the indirect costs respondents may incur for such things as purchases of specialized software or hardware needed to report, or expenditures for accounting or records maintenance services required specifically by the collection.)

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C. 131 and 182.

IV. Request for Comments

We are soliciting public comments to permit the Department/Bureau to: (a) Evaluate whether the proposed information collection is necessary for the proper functions of the Department,

including whether the information will have practical utility; (b) Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used; (c) Evaluate ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:
Background

On July 13, 2021, Commerce published the *Order* in the **Federal Register**.¹ On September 6, 2022, Commerce published in the **Federal Register** the notice of initiation of an administrative review of the *Order* for the period October 30, 2020, through December 31, 2021.² On August 1, 2022, we received timely requests for an administrative review from exporters and/or producers: Zhejiang Amerisun Technology Co., Ltd (Zhejiang Amerisun), Zhejiang Dobest Power Tools Co., Ltd. (Zhejiang Dobest), Ningbo Daye Garden Machinery Co., Ltd. (Ningbo Daye), Daye North America, Inc., and Ningbo Lingyue Intelligent Equipment Co. Ltd. (Ningbo Lingyue).³ As explained below, on October 1, 2022, Zhejiang Amerisun and Zhejiang Dobest timely withdrew their requests for an administrative review of themselves.⁴ On October 18, 2022, Commerce selected Ningbo Daye as the mandatory respondent in this administrative review.⁵ On March 2, 2023, Commerce extended the deadline for these preliminary results until July 28, 2023.⁶

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁷ A list of the topics included in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by the *Order* are lawn mowers from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. On October 1, 2022, Zhejiang Amerisun and Zhejiang Dobest timely withdrew their requests for an

administrative review of themselves.⁸ No other party requested a review of these companies. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review of the *Order* with respect to these two companies. For additional information regarding this determination, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient and that the subsidy is specific.⁹

In reaching these preliminary results, Commerce relied on facts otherwise available, with the application of adverse inferences, pursuant to section 776 of the Act. For further information, see "Use of Facts Otherwise Available and Application of Adverse Inferences" in the accompanying Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine the following net countervailable subsidy rates for the period October 30, 2020, through December 31, 2021:

Producer/exporter	Subsidy rate in 2020 (percent <i>ad valorem</i>)	Subsidy rate in 2021 (percent <i>ad valorem</i>)
Ningbo Daye Garden Machinery Co., Ltd. ¹⁰	10.58	9.46

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts above for the producer/exporters shown above. Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results,

Commerce will determine, and the U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue these instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the

Federal Register. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

¹⁰ This rate applies to Ningbo Daye and its cross-owned companies: Zhejiang Jindaye Holdings Limited and Ningbo Lingyue.

For the companies for which we have rescinded this administrative review, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the period October 30, 2020, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated for the producers/exporters listed above for 2021, the second year covered by the period of review, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the publication of these preliminary results of review in the **Federal Register**.¹¹ Rebuttal comments, limited to issues raised in case briefs, may be submitted no later than seven days after the deadline for filing case briefs.¹² Parties who submit case or rebuttal briefs in this administrative review are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹³ Case and rebuttal briefs must be filed using ACCESS.¹⁴ An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline. Note that Commerce has temporarily

modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁵

Pursuant to 19 CFR 351.310(c), parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must do so within 30 days after the publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using ACCESS. Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. Issues addressed at the hearing will be limited to those raised in briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.¹⁶

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by interested parties in their case briefs, within 120 days after the issuance of these preliminary results of this administrative review.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) and 351.221(b)(4).
