Welded Line Pipe From the Republic of Korea: Amended Final Results of Antidumping Duty Administrative Review in Part; 2020–2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) is amending the final results of the administrative review of the antidumping duty order on welded line pipe from the Republic of Korea to correct certain ministerial errors. The period of review (POR) is December 1, 2020, through November 30, 2021.

DATES: Applicable August 4, 2023.

FOR FURTHER INFORMATION CONTACT: Adam Simons, AD/CVD Operations, Office IX, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–6172.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2023, Commerce published the *Final Results* in the **Federal Register**.¹ On July 3, 2023, we

¹ See *Welded Line Pipe from the Republic of Korea: Final Results of Antidumping Duty Administrative Review; 2020–2021*, 88 FR 42295

received a timely submitted ministerial error allegation from SeAH Steel Corporation (SeAH).² We are amending the *Final Results* to correct the ministerial errors raised by SeAH.

Legal Framework

Section 751(h) of the Tariff Act of 1930, as amended (the Act), defines a “ministerial error” as including “errors in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other unintentional error which the administering authority considers ministerial.”³ With respect to final results of administrative reviews, 19 CFR 351.224(e) provides that Commerce “will analyze any comments received and, if appropriate, correct any . . . ministerial error by amending the final results of review”

Ministerial Errors

In the *Final Results*, we made certain revisions to SeAH's preliminary results calculations,⁴ including: (1) adjustments to SeAH's affiliate State Pipe & Supply, Inc.'s (State Pipe's) further manufacturing general and administrative (G&A) expense ratio;⁵ (2) revisions to SeAH's G&A expense ratio;⁶ and (3) revisions to SeAH's financial expense ratio.⁷ In its Ministerial Error Comments, SeAH alleged that, in revising State Pipe's G&A expense ratio, Commerce included certain adjustments that it rejected in the *Final Results*. SeAH also alleged that in the comparison market and margin programs, Commerce failed to multiply SeAH's G&A and financial expense ratios by SeAH's total cost of manufacturing (COM) to determine the G&A and financial expenses included in SeAH's total cost of production.⁸

We agree with SeAH that we made ministerial errors in the *Final Results* pursuant to section 751(h) of the Act and 19 CFR 351.224(f) and have amended our calculations to correct State Pipe's G&A expense ratio and to apply SeAH's G&A and financial expense ratios to total COM in the comparison market and margin programs.
