

execution for a 9/1/2023 start date while still allowing 23 days for comment. The Committee also published a notice of proposed Procurement List addition in the **Federal Register** on 6/30/2023 and did not receive any comments from any interested persons. This addition will not create a public hardship and has limited effect on the public at large, but, rather, will create new jobs for other affected parties—people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition will enable Federal customer operations to continue without interruption.

### Deletions

On 6/30/2023, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice of proposed deletions from the Procurement List. This notice is published pursuant to 41 U.S.C. 8503 (a)(2) and 41 CFR 51–2.3.

After consideration of the relevant matter presented, the Committee has determined that the product(s) listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

### Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action may result in authorizing small entities to furnish the product(s) to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the product(s) deleted from the Procurement List.

### End of Certification

Accordingly, the following product(s) are deleted from the Procurement List:

## DEPARTMENT OF DEFENSE

### Department of the Army

#### Notice of Intent To Prepare an Environmental Impact Statement and Initiate Section 106 Public Consultation Regarding Removal of the Confederate Memorial From Arlington National Cemetery

**AGENCY:** Department of the Army, DoD.

**ACTION:** Notice of intent (NOI); public meetings.

**SUMMARY:** The Department of the Army intends to prepare an Environmental Impact Statement (EIS) under the National Environmental Policy Act (NEPA) and to conduct the section 106 public consultation process under the National Historic Preservation Act (NHPA) to address potential environmental effects associated with the congressionally-mandated removal of the Confederate Memorial from Arlington National Cemetery (ANC). This notice initiates a 30-day public scoping period, during which the Army will solicit comments on the proposed action. The 30-day public scoping period will include a virtual public meeting.

**DATES:** Written scoping comments must be sent within 30 days of publication of this NOI in the **Federal Register**. Public comment under NEPA and the NHPA may be executed concurrently to optimize efficiency, transparency, and accountability. There will be a virtual public meeting covering both the NEPA and NHPA processes. This virtual public meeting will take place August 23, 2023. The meeting time and instructions on how to access the meeting will be publicly announced, including on the ANC web page.

**ADDRESSES:** Written comments may be sent by the following methods:

*Website form located at:* <https://www.arlingtoncemetery.mil/About/Confederate-Memorial-Removal>.

*Mail:* Ms. Renea Yates, Director, Office of Army Cemeteries, 1 Memorial Avenue, Arlington, VA 22211.

**FOR FURTHER INFORMATION CONTACT:** Ms. Renea Yates, Director, Office of Army Cemeteries, 1 Memorial Avenue, Arlington, VA 22211; email: [anc-commemorative-works@army.mil](mailto:anc-commemorative-works@army.mil); (877) 907-8585.

**SUPPLEMENTARY INFORMATION:** Congress directed the establishment of the Commission on the Naming of Items of the DoD that Commemorate the Confederate States of America or Any Person Who Served Voluntarily with the Confederate States of America (the

Naming Commission) in section 370 of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (FY21 NDAA). Regarding the Confederate Memorial, the Naming Commission recommended the following:

—“The statue atop . . . the monument should be removed. All bronze elements on the monument should be deconstructed, and removed, preferably leaving the granite base and foundation in place to minimize risk of inadvertent disturbance of graves.”

—“The work should be planned and coordinated with the Commission of Fine Arts and the Historical Review Commission to determine the best way to proceed with removal of the monument.”

—“The Department of [the] Army should consider the most cost-effective method of removal and disposal of the monument's elements in their planning.”

The FY21 NDAA, section 370(a), requires that “[n]ot later than three years after the date of the enactment of this Act, the Secretary of Defense shall implement the plan submitted by [the Naming Commission] and remove all names, symbols, displays, monuments, and paraphernalia that honor or commemorate the Confederate States of America . . . or any person who served voluntarily with the Confederate States of America from all assets of the Department of Defense.”

The purpose of the proposed action is to remove from ANC a monument that commemorates the Confederate States of America. The need for the proposed action is to comply with non-discretionary congressional direction. The removal of the Confederate Memorial must be conducted in a manner that ensures the safety of the people who work at and visit ANC and that protects surrounding graves and monuments. The entire process, including disposition, must occur according to applicable laws, policies, and regulations.

The EIS will look at the impacts of removal of the statue atop the monument, disassembly of the bronze elements, and disposition of both. The Army intends to leave the granite base and foundation in place. NEPA requires consideration of a no-action alternative as a baseline against which impacts of the proposed action can be analyzed. The no-action alternative—while serving as a baseline for analysis—will not be considered for implementation, as it would not comply with congressional direction.
