SUPPLEMENTARY INFORMATION:

Summaries for each FAR rule follow. For the actual revisions and/or amendments made by these FAR rules, refer to the specific item numbers and subjects set forth in the documents following these item summaries. FAC 2023-05 amends the FAR as follows:

Item I—Use of Acquisition 360 To Encourage Vendor Feedback (FAR Case 2017-014)

This final rule amends the FAR to implement the Acquisition 360 Survey tool, a voluntary online survey to elicit industry feedback on the preaward and debriefing processes in a consistent and standardized manner. Contracting officers may insert the provision into solicitations in accordance with agency procedures. However, because it is voluntary, the impact on offerors or contractors is expected to be minimal.

Item II—Small Disadvantaged Business Threshold (FAR Case 2023-004)

This final rule amends the FAR to update the net worth threshold for the owners of small disadvantaged business concerns to align with SBA’s regulations, and updates obsolete FAR citations to certain SBA regulations.

Item III—Update to ASSIST Database References (FAR Case 2022-008)

This final rule amends the FAR to update obsolete contact information, web addresses, and office titles necessary to obtain Federal and Defense specifications and standards from the DoD Acquisition Streamlining and Standardization Information System (ASSIST) website or, for Defense documents not available in ASSIST, from the Defense Standardization Program Office. These updates will

ensure offerors have the most current information with which to obtain both Federal and Defense specifications and standards that are referenced in an agency’s solicitation. The final rule will not have a significant economic impact on a substantial number of small entities because it simply updates contact information, web addresses and office titles in existing regulations.

Item IV—Technical Amendments

Administrative change is made at FAR 52.212-3.

Director, Office of Government-wide Acquisition Policy, Office of Acquisition Policy, Office of Government-wide Policy.
