SUPPLEMENTARY INFORMATION: The purpose of this Tribal Consultation is to allow the Department to learn more about the effects, benefits, and costs that may result from changing the definition of *public official* in 20 CFR part 603. This part applies to States and State UC agencies, as defined in § 603.2(f) and (g). The Department is exploring potential

rulemaking changes, to include expanding the definition of *public official* to include Tribal Officials, as well as other potential changes. The Department wants to explore the implications for federally recognized Indian tribes as the Department determines the most appropriate changes to propose. The Department has issued a Request for Information (RFI) that was published in the **Federal Register** on July 25, 2023 (88 FR 47829) as part of its pre-rulemaking activities.

The Department, through this initial Tribal Consultation, is initiating the Tribal Consultation process by announcing the publication of an RFI regarding the Federal UC law concerning confidentiality and disclosure of UC information. In addition, Executive Order 13175, Consultation and Coordination with Indian Tribal Governments (65 FR 67249), and the Department's Tribal Consultation Policy (77 FR 71833) require the Department to solicit input from Tribal officials in the development of Federal policies that have Tribal implications. Accordingly, this Tribal Consultation seeks to provide Tribes with an opportunity to provide input as the Department explores the effects, benefits, and costs of a potential change and/or modification to the definition of a *public official* in § 603.2(d), which could have implications for all federally recognized Indian tribes.

Brent Parton,

Principal Deputy Assistant Secretary for Employment and Training, Labor.
