Implementation of Changes to the Haitian Family Reunification Parole Process

AGENCY: Department of Homeland Security (DHS).

ACTION: Notice of changes to Haitian Family Reunification Parole.

SUMMARY: This notice announces that the Secretary of Homeland Security (Secretary) has authorized updates to modernize Haitian Family Reunification Parole (HFRP). HFRP provides a lawful,

safe, and orderly pathway for certain Haitians to seek parole into the United States, allowing them to reunite with family as they wait for their immigrant visas to become available so they may apply to adjust status to lawful permanent resident (LPR). The Secretary has authorized these updates to HFRP in light of technological advancements and process efficiencies created since the HFRP’s inception in 2014. Every step of the updated process will be completed online with the exception of a medical exam by a panel physician and the parole determination made upon arrival at an interior U.S. port of entry (POE).

DATES: DHS will begin using the Form I–134A, Online Request to be a Supporter and Declaration of Financial Support, for this process on August 11, 2023.

FOR FURTHER INFORMATION CONTACT:

Rená Cutlip-Mason, Chief, Humanitarian Affairs Division, Office of Policy and Strategy, U.S. Citizenship and Immigration Services, Department of Homeland Security, by mail at 5900 Capital Gateway Drive, Camp Springs, MD 20746, or by phone at 800–375–5283.

SUPPLEMENTARY INFORMATION:

I. Background

In 2014, U.S. Citizenship and Immigration Services (USCIS) launched HFRP to expedite family reunification through lawful, safe, and orderly channels of migration to the United States, increase existing avenues for lawful migration from Haiti, and help Haiti in its recovery from the long-term impacts of the January 12, 2010 earthquake that devastated the country.¹ Under HFRP, the U.S. Government (USG) invites certain eligible United States citizen (U.S.C.) and LPR petitioners to file a request and initiate consideration for parole for certain family members in Haiti who are the beneficiaries of an approved Form I–130, Petition for Alien Relative. Since it was established in 2014, HFRP has allowed certain beneficiaries of family-based immigrant petitions that were approved on or before December 18, 2014 to request a discretionary grant of parole to enter the United States up to approximately two years before their immigrant visas become available,
