

the number and percentage of students who graduated from high schools served by the proposed project who, prior to or upon graduation—

(1) Earned, through their successful participation in dual or concurrent enrollment programs in academic or CTE subject areas—

(i) any postsecondary credits; and, separately,

(ii) 12 or more postsecondary credits that are part of a program of study that culminates with an associate, bachelor's, or advanced degree, or completion of a Registered Apprenticeship Program.

(2) Completed 40 or more hours of work-based learning for which they received wages or academic credit, or both.

(3) Attained an industry-recognized credential that is in-demand in the local, regional, or State labor market and associated with one or more jobs with median earnings that exceed the median earnings of a high school graduate.

(4) Met, in each year of high school, with a school counselor, college adviser, career coach, or other appropriately trained adult for education and career counseling during which they reviewed and updated a personalized postsecondary educational and career plan (as defined in this notice).

(b) The outcomes described in paragraph (a) must be disaggregated by—

(1) Subgroups of students described in section 1111(c)(2)(B) of the ESEA; and

(2) Special populations;

(3) Sex; and

(4) Each CTE program and program of study.

(c) The independent evaluation supported by a grantee must report annually on the extent to which CTE participants and CTE concentrators in each CTE program or program of study reflect the demographics of the school, including sex, major racial and ethnic groups, and special populations status.

(d) The independent evaluation supported by a grantee must also report annually on the average number of postsecondary credits earned by students through their successful participation in dual or concurrent enrollment programs in academic or career and technical education subject areas and any project-specific indicators identified by the grantee.

Project-Specific Performance Measures:

Applicants must propose project-specific performance measures and performance targets consistent with the objectives of the proposed project.

Applications must provide the following information as directed under 34 CFR 75.110(b) and (c):

(a) Performance Measures. How each proposed performance measure would accurately measure the performance of the project and how the proposed performance measures would be consistent with the performance measures established for the program funding the competition.

(b) Baseline Data.

(i) Why each proposed baseline is valid; or

(ii) If the applicant has determined that there are no established baseline data for a particular performance measure, an explanation of why there is no established baseline and of how and when, during the project period, the applicant would establish a valid baseline for the performance measure.

(c) Performance Targets. Why each proposed performance target is ambitious yet achievable compared to the baseline for the performance measure and when, during the project period, the applicant would meet the performance target(s).

(d) Data Collection and Reporting.

(i) The data collection and reporting methods the applicant would use and why those methods are likely to yield reliable, valid, and meaningful performance data; and

(ii) The applicant's capacity to collect and report reliable, valid, and meaningful performance data, as evidenced by high-quality data collection, analysis, and reporting in other projects or research.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Beth Grebeldinger, 202–245–4018.

SUPPLEMENTARY INFORMATION: The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Loan Discharge Application: Forgery.

OMB Control Number: 1845–0148.

Type of Review: An extension without change of a currently approved ICR.

Respondents/Affected Public: Individuals and Households.

Total Estimated Number of Annual Responses: 2,786.

Total Estimated Number of Annual Burden Hours: 2,786.

Abstract: This is a request for an extension of the information collection for the form used to obtain information from federal student loan borrowers who allege that the loans in their name were the result of a forgery. This information is used by the Secretary to make a determination of forgery for the Direct Loans, FFEL Program Loans, and Federal Perkins Loans held by the Department. This information collection stems from the common law legal principal of forgery, which is not reflected in the Department’s statute or regulations, but with which the Department must comply.

Dated: August 9, 2023.
