SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily

determines that Norma (India) Ltd. (Norma) and R.N. Gupta & Co. Ltd. (RNG) received countervailable subsidies during the period of review (POR), January 1, 2021, through December 31, 2021. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On August 24, 2017, Commerce published in the **Federal Register** the countervailing duty order on finished carbon steel flanges from India.¹ On August 2, 2022, Commerce published a notice of opportunity to request an administrative review of the *Order*.² On August 31, 2022, Weldbend Corporation and Boltex Manufacturing Co., L.P. (collectively, the petitioners), requested a review of 41 producers and/or exporters of subject merchandise.³ Further, between August 18 and 31, 2022, Commerce received multiple requests, from Indian producers or exporters of flanges for an administrative review of the *Order* with respect to themselves.⁴ On October 11,

2022, Commerce published a notice of initiation of an administrative review of the *Order*.⁵ On November 3, 2022, Commerce selected Norma and RNG as mandatory respondents in this administrative review.⁶ On April 25, 2023, Commerce extended the time period for issuing these preliminary results to August 31, 2021, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).⁷

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is finished carbon steel flanges. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found to be countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, including our reliance on adverse facts available pursuant to sections 776(a) and (b) of

⁵ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 61278, 61286 (October 11, 2022).

⁷ See Memorandum, "Extension of Deadline for Preliminary Results of Countervailing Duty Administrative Review," dated April 25, 2023.

the Act, see the Preliminary Decision Memorandum.

Companies Not Selected for Individual Review

The Act and Commerce's regulations do not directly address the subsidy rate to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. Section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A) states that for companies not investigated, in general, we will determine an all-others rate by weight averaging the countervailable subsidy rates established for each of the companies individually investigated, excluding zero and *de minimis* rates or any rates based solely on the facts available. Accordingly, to determine the rate for companies not selected for individual examination, Commerce's practice is to weight average the countervailable subsidy rates for the selected mandatory respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available.

We preliminarily find that the rates for Norma and RNG were above *de minimis* and not based entirely on facts available. However, because publicly ranged sales values for all mandatory respondents are not on the record of this review, for these preliminary results, we are unable to weight average the subsidy rates of Norma and RNG to derive a rate for companies not selected for individual review. Therefore, we calculated a simple average of the subsidy rates calculated for Norma and RNG for application to the companies not selected for individual review. The companies for which a review was requested and that were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent are listed in Appendix II.

Preliminary Results of Review

As a result of this review, we preliminarily determine that the following net countervailable subsidy

rates exist for the period January 1, 2021, through December 31, 2021:

| Producer/exporter | Subsidy rate (percent <i>ad valorem</i>) |
|---|---|
| Norma (India) Ltd. ¹⁰ | 2.98 |
| R.N. Gupta & Co. Ltd. | 3.20 |
| Non-Selected Companies Under Review ¹¹ | 3.09 |

Issues addressed during the hearing will be limited to those raised in the respective case and rebuttal briefs.¹⁵ If a request for a hearing is made, parties will be notified of the scheduled date and time. Parties should confirm the date and time of the hearing two days before the scheduled date.

¹⁰ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with Norma (India) Ltd.: USK Export Private Limited; Uma Shanker Khandelwal and Co.; and Bansidhar Chiranjilal. This rate applies to all cross-owned companies.

¹¹ See Appendix II for a list of companies not selected for individual examination.

Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁶

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in any written briefs, no later than 120 days after the date of publication of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we are preliminarily assigning subsidy rates in the amounts shown above for the producers/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each company listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at its most recent company-specific or the non-selected companies rate, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify information relied upon in arriving at the final results of this administrative review.

Notification to Interested Parties

These preliminary results of review are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 351.221(b)(4).

Dated: August 10, 2023.
